in the violent world of radical extremists the enemy of my enemy is my friend this study reveals how that precept plays out in the unexpected bonding between militant islam and the extreme right in america and europe it provides an insightful and sane look at the possibilities for collaboration between these groups

scott copy 1 from the john holmes library collection

social media has played a central role in the digital era for almost a century influencing almost all aspects of life the use of social media in warfare is threatening not

only one country but the whole global community is a recent development the famous speech by abu muhammad al adnani on social media inspired the bloody month of ramadan in 2016 and showed the deadly power of social media inspired attacks and what the islamic state is capable of achieving although the terrorist group has lost territory over the last few weeks of combat both in syria and iraq and is on the edge of losing their main capital mosul is still remains a hybrid threat consisting of military powers and an unmatched affinity of using social media as a cyber war weapon is will continue to be a severe danger to the global community this book aims to foster a deeper understanding of the use of social media for recruiting efforts by the so called islamic state is and to analyse its propaganda methods in order to develop possible countermeasures a special focus will be put on the method of recruitment of young western foreign fighters these individuals are the easiest to recruit for isis and pose the greatest risk to the global community especially in regards to home grown terrorism and so called lone wolf attacks since this area of research is very new and quickly evolving the field still needs extensive research it is difficult to analyse the use of social media content by the islamic state due to limited information access and flow encryption propaganda verification and inconsistency the islamic state is a military threat on the battleground as well as a potential cyber threat for the international community despite these challenging circumstances this book will provide a new theoretical model based on the marketing model of a customer journey in connection with the main principles of storytelling ultimately this research work will try to provide experts with a new and modern approach of analysis as a base for possible counter measures to weaken and combat the current threat posed by the islamic state from the text islamic state terrorism social media propaganda institutions radicalisation

as the fifth full year of america s global war on terrorism continues statistics concerning terrorist attacks show a disturbing trend from a twenty one year high in 2003 attacks tripled in 2004 and then doubled in 2005 and as the incidence of terrorist attacks increased so has the number of terrorists while the primary leaders of the taliban al qaeda and al qaeda in iraq remain at large a 2006 department of defense study reportedly identified thirty new al qaeda affiliated terrorist groups that have been created since september 11 2001 we may not have metrics that measure our success in the war on terrorism but these realities certainly illuminate our failures in thinking like a terrorist former fbi counterterrorism agent mike german contends that the overarching problem is a fundamental failure to understand the terrorists namely what they want and how they intend to get it when our counterterrorism policies are driven by misunderstanding and misperception we shouldn t be surprised at the results today s terrorists have a real plan a blueprint that has brought them victory in the past that they are executing to perfection moreover their plan is published and

available to anyone who bothers to read it once the terrorists plan is understood we can develop and implement more effective counterterrorism strategies a former undercover agent who infiltrated neo nazi terrorist groups in the united states german explains the terrorist s point of view and discusses ways to counter the terrorism threat based on his unusual experience in the field thinking like a terrorist provides unique insights into why terrorism is such a persistent and difficult problem and why the u s approach to counterterrorism isn t working

reviled as a fascist and zealot by libertarians and liberals but praised as a great patriot and devout man of god by many conservatives john ashcroft may have been the most powerful and polarizing attorney general in our nation s history looking past such oversimplified stereotypes nancy baker offers the first in depth study of ashcroft s controversial tenure as attorney general and as domestic commander in our campaign against global terrorism addressing new concerns about challenges to civil liberties in the wake of 9 11 baker provides a critical assessment of ashcroft s impact on national life within the context of an enormous expansion of presidential power baker depicts a man who even before 9 11 was in search of a mission and then found it in the war on terror she explores how ashcroft s counterterrorism actions eroded checks on executive power arguing that the attorney general used both the formal and informal powers of his office to expand executive and law enforcement authority and did so at the additional expense of criminal procedural rights privacy rights and government transparency baker tells how the war against terrorism the unique legal policy role of the attorney general and ashcroft s presence in that office dramatically expanded the power and impact of executive power in domestic affairs she identifies ashcroft s rhetorical tactics that set his actions at odds with the public interest such as browbeating critics and marginalizing dissent and challenges the success claimed by ashcroft and his supporters in safeguarding america by documenting the justice department s lack of effectiveness in key prosecutions she also includes an enlightening analysis of the patriot act and its implications for both civil liberties and government power by documenting the ongoing importance of ashcroft s legacy a legacy now continued by alberto gonzalez baker shows how he dramatically changed the office and disrupted our constitutional system of divided and checked powers her close scrutiny of ashcroft s actions vividly highlights the role that an attorney general can play in shaping presidential power during national crises and provides a cautionary tale for anyone eager to protect our civil liberties

a scathing critique of president bush s legal advisors who expanded the reach of his executive powers while creating highly controversial policies for fighting the war

on terror argues that these advisors blinded by ideology provided largely bad legal advice that caused great harm and ultimately was unnecessary for national security

focuses on the recent enemy combatant cases to provide a stern critique of the legal and constitutional basis for the enormous expansion of presidential power during the bush administration s war on terror and the challenges especially in the supreme court that such expansion has inspired
