fans of thirteen reasons why running with scissors and girl interrupted will be entranced by this remarkable true story of teenage despair and recovery the burn journals describes a particular kind of youthful male desolation better than it has ever been described before by anyone andrew solomon author of the noonday demon in 1991 fourteen year old brent

runyon came home from school doused his bathrobe in gasoline put it on and lit a match he suffered third degree burns over 85 of his body and spent the next year recovering in hospitals and rehab facilities during that year of physical recovery runyon began to question what he d done undertaking the complicated journey from near death back to high school and from suicide back to the emotional mainstream of life

brent runyon was fourteen years old when he set himself on fire and an intense retelling of that suicide attempt followed by a year of physical and psychological recovery conveys with a terrible clarity what it means to want to commit suicide reader s guide available reprint 35 000 first printing

in a sea of troubling reporting about education teaching reading and the wellbeing of teens ivey and johnston bring some good news that shows what happens when we stop underestimating young people this accessible book offers an engaging account of a 4 year study of adolescents who went from reluctant to enthusiastic readers these youth reported that reading not only helped them manage their stress but also helped them negotiate happier more meaningful lives this amazing transformation occurred when their teachers simply allowed them to select their own books invited them to read with no strings attached and provided time for them to do so these students nearly all of whom reported a previously negative relationship with reading began to read voraciously inside and outside of school performed better on state tests and transformed their personal relational emotional and moral lives in the process this illuminating book leads readers on a tour of adolescents reading lives in their own words offering a long overdue analysis of students deep engagement with literature the text also includes research to inform arguments about what students should and should not read and the consequences of limiting students access to the books that interest them through censorship book features links young adults reading engagement with socio emotional and intellectual development provides nuanced descriptions of teaching practices that facilitate student agency in learning features student voices that have been absent in debates about what is appropriate for young people to read and under what circumstances connects student perspectives on reading with positive outcomes of reading to research from other disciplines illuminates the breadth and depth of the responsibilities of teaching english language arts

edgar allen poe langston hughes louisa may alcott and stephen king are just a handful of famous authors who began their publishing careers in their teens many young adults would like to write and publish but few know where to begin while there are many books on how to write and how to get published none are written specifically for teens writing and publishing the ultimate teen guide fills this gap in this book author tina schwartz discusses many matters that are not often presented in guides to writing and publishing such as the importance of mentors and critique groups as well as courses and extracurricular activities that can be of great help to the up and coming teen author the book explores various writing careers and the basics of publishing and marketing including how to write query letters schwartz also provides tips on writing both fiction and nonfiction as well as genres a new author can explore like poetry and songwriting with this resource teens will find all the information they need to develop writing skills and build confidence as a writer

designed for public librarians school media specialists teachers and anyone with an interest in supporting teen literacy this book features 133 nonfiction booktalks to use with both voracious and reluctant teen readers these booktalks cover a wide and varied range of nonfiction genres including science nature history biography graphic novels true crime art and much more each includes a set of discussion questions and sample project ideas which could be easily expanded into a classroom lesson plan or full library program also included are several guidelines for classroom integration tips for making booktalks more interactive and interesting and selections for further reading

this book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources grief caused by loss is both a very common human experience and a highly individualized one for example children experience a number of losses that are unique to their young age such as sibling and parent death adoption or divorce and should be given special consideration by professionals and parents helping them in these situations for gay lesbian or cohabiting heterosexual couples that suffer the loss of a partner societal standards often deny the survivors in these relationships the right to grieve helping those experiencing loss a guide to grieving resources is a book like no other supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime as well as a comprehensive guide to the literature of bereavement and grieving it explains the grieving process interpreting the results of research on the topic in plain language and addressing specific groups

children young adults parents who have lost a child adults who have lost spouses and the aging population

with the explosion in ya publishing it's harder than ever to separate good books from the rest booklist magazine's editors deep and broad knowledge of the landscape offers indispensable guidance and here they bring together the very best of the best books for young adults published since the start of the 21st century drawing on the careful judgment of expert ya librarians this book includes a foreword by best selling ya lit authority michael cart who demonstrates how we have entered a new golden age of books for young adults collects reviews which showcase the most stimulating contemporary ya titles features an essay in each section grouped by genre presenting an overview and examining relevant trends indexes selections by author title and genre for handy reference the thoughtful professional review coverage for which ala's booklist is known makes this volume an ideal tool for ya readers advisory and collection development
