this book explores the decision by the grand national assembly of turkey in 1924 to abolish the caliphate the ottoman sultans had long borne the title of caliphs of islam with all the prestigious authority throughout the muslim world that went with it and in the aftermath of the first world war the caliphate still retained great symbolic relevance the book considers the questions that arose with its abolition including whether or not the caliphate should be revived reformed or replaced by other forms of political affiliation and organization it also assesses more general issues concerning identity and legitimate authority and how to reconcile time honoured religious institutions and concepts with modernity the nation state and affiliations of an ethnic and religious nature the book additionally addresses the debates within the pan islamic congresses concerning the fate of the caliphate and the implications of its abolition for kurdish turkish relations and for the british and french empires with their large muslim populations

the very grubby coalface of foreign policy i found the entire book most horribly addictive independent one of the unexpected responses to reading this masterful study is amazement at the efforts the british and french each put into undermining the other spectator a fascinating insight into the untold story of how british french rivalry drew the battle lines of the modern middle east in 1916 in the middle of the first world war two men secretly agreed to divide the middle east between them sir mark sykes was a visionary politician françois georges picot a diplomat with a grudge they drew a line in the sand from the mediterranean to the persian frontier and together remade the map of the middle east with britain's mandates of palestine transjordan and iraq and france's in lebanon and syria over the next thirty years a sordid tale of violence and clandestine political manoeuvring unfolded told here through a stellar cast of politicians diplomats spies and soldiers including t e lawrence winston churchill and charles de gaulle using declassified papers from the british and french archives james barr vividly depicts the covert deadly war of intrigue and espionage between britain and france to rule the middle east and reveals the shocking way in which the french finally got their revenge

a history of the abbasid caliphate from its foundation in 750 and golden age under harun al rashid to the conquest of baghdad by the mongols in 1258 this study examines the caliphate as an empire and an institution and its imprint on the society and culture of classical islamic civilization
