this text covers an image based approach to qualitative research theory and the research process and provides practical examples of how image based research is applied in the field

the cinema of wim wenders the celluloid highway is a new study of the films of this most prominent of german directors and penetrates the seductive sounds and images for which he is best known the book analyses the individual films in the context of a preoccupation central to all of wenders work and writings why modern cinema a recording art solely composed of sounds and images naturally developed into a primarily narrative medium a domain traditionally associated with words and sentences with its emphasis on analysing the films themselves this book identifies and critically elucidates wenders chief artistic motivation that the act of seeing can constitute a creative act in its own right

architecture and control makes a collective critical intervention into the relationship between architecture

including virtual architectures and practices of control since the turn of the twentieth to twenty first centuries authors from the fields of architectural theory literature film and cultural studies come together here with visual artists to explore the contested sites at which in the present day attempts at gaining control give rise to architectures of control as well as the potential for architectures of resistance together these contributions make clear how a variety of post 2000 architectures enable control to be established all the while observing how certain architectures and infrastructures allow for alternative progressive modes of control and even modes of the unforeseen and the uncontrolled to arise contributors are pablo bustinduy rafael dernbach alexander r galloway hans ulrich gumbrecht maria finn runa johannessen natalie koerner michael krause samantha martin mcauliffe lorna muir mikkel bolt rasmussen anne elisabeth sejten and joey whitfield

whether you re a guitarist trying to make your guitar go gneee flumph and oo ee oo ee a bass player who s fed up with the same old sounds or a bedroom techno overlord working on the number one hits of the future technology can help turn your ideas into reality get samplers midi guitar equipment and even things for drummers and explains what they do who s using them and what you should look for when you go shopping it also tells you what to do when technology attacks why you should always assume things will go spectacularly wrong at the worst possible moment and what you can do to make sure it doesn t irritate you

david wyn williams presents a literary reimagining of the suffering servant of second isaiah through the lens of the work of mikhaïl bakhtin offering insight into how the servant s prophetic characterisation dismantled an exiled nation s ideologies of suffering and called the people to understand their plight as part of a redemptive story on behalf of the nations while williams devotes the first half of this volume to a close examination of the scriptural servant the second half is given wholly to the experiences and thoughts of a contemporary suffering servant whom williams interviewed throughout his final days setting up a dialogue between the two in order to raise important questions around our corporate and individual responses to suffering this book is a timely reflection on how an ancient people responded in faith to a national calamity and how a prophetic figure who features in but a handful of poems inspired the nation to endure and

rewrite its own narrative of suffering the servant's example in the midst of today's uncertainties could not be more poignant

sound of the crowd a discography of the 80s is the ultimate record collector's guide to the 1980s in the era of multi-formatting picture discs coloured vinyl multiple remixes funny shaped records and tiny cds you could lose down the back of the sofa this book lists every format of every single ep and album released in the uk in the 1980s by over 140 of the decade's biggest acts from abba to paul young this fourth edition has been fully revised and expanded to include even more acts than ever before with additional sections to cover band aid style charity congregations and compilation albums from the early 80s k tel efforts through to the now that's what i call music series and its competitors compiled by steve binnie editor of the 80s music website sound of the crowd and writer producer and co host of the unconventional 80s chart show off the chart broadcast weekly on mad wasp radio
