the candle of vision describes russells luminous excursions into the otherworld including clairvoyant and prophetic visions

precognition of gnostic concepts past life and astral journeys and always heightened awareness of the beauty that pervades mundane reality russell taught creative visualization and believed that the creative powers of imagination could become a passport to other worlds this study of the true nature of visionary exploration will appeal to the artist and the poet as well as the mystic

this is a new release of the original 1918 edition

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

discusses concepts that anticipated the modern human potential movement by half a century russell taught creative visualization and believed that the creative powers of imagination could become a passport to other worlds this study of the true nature of visionary exploration will appeal to the artist and the poet as well as the mystic

known to his contemporaries as the myriad mind man george william russell 1867 1935 was an artist a journalist a poet a playwright a mystic a seer and much else besides a friend and rival of w b yeats russell or ae as he liked to be known played an important part in the celtic revival of the early twentieth century wielding an influence which today is largely forgotten in the candle of vision russell attempts to describe the revelations and visions that came to him with increasing frequency from his early twenties messages and intuitions that convinced him that the golden age was all about me and it was we who had been blind to it but that it had never passed away from the world the author treats of clairvoyance astral travel of the language of the gods of celtic nature visions and meetings with what in today s world view we would regard as ufos this is a must read book for all those fascinated by nature mysticism and celtic lore

excerpt from the candle of vision when i am in my room looking upon the walls i have painted i see there reflections of the personal life but when i look through the windows i see a living nature and land scapes not painted by hands so too when i meditate i feel in the images and thoughts which throng about me the reflections of personality but there are also windows in the soul through which can be seen images created not by human but by the divine imagination i have tried according to my
