some of the best loved stories in the world originating in persia india and arabia retold especially for children

although geoffrey chaucer is the major author for middle english studies he often receives little notice in studies of children s literature however there is a fascinating relationship between chaucer and children s interests this book examines in detail chaucer stories retold for children both the texts and the illustrations which are excellent examples of the verbal and visual storytelling that are very important in children s literature the popularity of certain chaucer stories their adjustment for children and the historical political educational and social contexts of the retellings reveal victorian and edwardian attitudes the author also considers how retellings of chaucer stories contributed to the traditional view of chaucer as the father of english and how this view of him was developed at the turn of the twentieth century as part of an expansion of general education and english studies

this important book is a thorough account of early communication covering bilingualism and specific areas of learning of reading and writing in early years it is well laid out informative and supportive with excellent case studies eva mikuska senior lecturer at university of chichester the role of the adult in the development of young children s communications skills through interaction is vital and this book will help you understand this and improve your practice taking a chronological approach there is also a particular interest in the needs of two year olds including the progress check at age two and the revised requirements of the early years foundation stage the book features case studies points for practice and links to video examples coverage of bi or multilingual children examples of enabling environments for communication and interaction ideas of how to work best with parents suitable for all those studying or practising in early childhood it will develop the way you think about communication and interaction

no one is free from the struggle with sin not only is sin part of being human but the true nature of sin is widely misunderstood into the wilderness provides a unique interpretation of sin as a basic

self absorption that grips every human being and is the source of unhappiness historically the notion of sin has been divided into easily understood categories the traditional approach used the seven deadly sins pride greed gluttony anger envy sloth and lust as a framework but a deeper understanding of sin demands three additional categories fear dishonesty and despair into the wilderness explores these ten specific sins with power and clarity the book goes beyond an analysis of sin by opening the path from sin to redemption from unhappiness to joy finally laying out a path from the despair of sin to the joy of spiritual renewal and freedom the book concludes with an addendum which answers the book s fundamental question how can one move from the enslavement of sin into god s redeeming grace the addendum presents a detailed prayer discipline designed to open the way forward
