akhenaten has been the subject of radically different even contradictory biographies the king has achieved fame as the world's first individual and the first monotheist but others have seen him as an incestuous tyrant who nearly ruined the kingdom he ruled the gold funerary mask of his son tutankhamun and the painted bust of his wife nefertiti are the most recognizable artifacts from all of ancient egypt but who were akhenaten and nefertiti and what do we actually know about rulers who lived more than three thousand years ago it has been one hundred years since the discovery of the tomb of tutankhamun and

although king tut is a household name his nine year rule pales in comparison to the revolutionary reign of his parents akhenaten and nefertiti became gods on earth by transforming egyptian solar worship making innovations in art and urban design and merging religion and politics in ways never attempted before combining fascinating scholarship the suspense of detective work and adventurous thrills egypt s golden couple is a journey through excavations museums hieroglyphic texts and stunning artifacts from clue to clue renowned egyptologists john and colleen darnell reconstruct an otherwise untold story of the magnificent reign of akhenaten and nefertiti

tell el amarna is the modern name for the ancient egyptian city of akhenaten situated in a bay of hills formed by the cliffs of the eastern desert about halfway between cairo and luxor the city was founded in the 14th century bc by the pharaoh akhenaten to be a royal palace for himself and his wife nefertiti the capital of all egypt and the center of the state cult of the sun god in the form of aten sun disc which became an obsession of the pharaoh the city contained temples palaces state buildings and great private mansions but was abandoned by akhenaten s successor his son tutankhamen and the city was demolished never to be re inhabited this volume presents a detailed illustrated catalog of the many statues statuettes reliefs inlays and inscriptions recorded and collected by flinders petrie together with glass and faience objects and moulds part ii provides a summary of developments in royal names and titles with a discussion on research into names and evidence of royal status

catalog of an exhibition celebrating the 150th anniversary of the brooklyn institute of arts and sciences

once akhenaton came to power in fourteenth century egypt life changed dramatically he completely reformed the country s religion and he replaced the traditional gods with a single god aton the sun god his religious fervor went so far that he changed his own name to akhenaton meaning beneficial to the aton from amenhotep iv his people were dissatisfied and soon after his death and with the rule of tutankhamen the country returned to its traditional deities although tutankhamen is famously known for his lavish tombs his short rule is also marked by the restoration of art and any temples damaged during akhenaton s rule

in thinking about ancient egypt certain images come to mind the pyramids the sphinx the vast sahara desert the mighty nile

river and the image of the lovely queen nefertiti this title describes about a queen renowned for her beauty during a tumultuous time in egyptian history

describes the life of nefertiti of egypt provided by publisher

the novel is based on the lives of the pharaoh akhenaten and his wife queen nefertiti who reigned in the 18th dynasty it begins with the arrival of the child nefertiti into egypt by the age of thirteen she was married to akhenaten who was seventeen the story goes through their lives to their final end in revolution after which time their names were removed from the royal records and most of their statues were destroyed little remains today of the history of their lives and the manner of their death still remains a mystery in my story i have entered into their private lives and also the many people who possibly surrounded them i have used all my research and also the latest evidence of their lives together with the lives of the whole family all factual information has been incorporated to create a story containing great drama tragedy and passionate love also part of the story is a fictional account of what could have happened after researching i have written my novel and much of it is based on what i have gathered together about them and all those who were involved in their lives

egypt s sun queen magnificently revealed in a new book by renowned egyptologist aidan dodson during the last half of the fourteenth century bc egypt was perhaps at the height of its prosperity it was against this background that the amarna revolution occurred throughout its instigator king akhenaten had at his side his great wife nefertiti when a painted bust of the queen found at amarna in 1912 was first revealed to the public in the 1920s it soon became one of the great artistic icons of the world nefertiti s name and face are perhaps the best known of any royal woman of ancient egypt and one of the best recognized figures of antiquity but her image has come in many ways to overshadow the woman herself nefertiti s current world dominion as a cultural and artistic icon presents an interesting contrast with the way in which she was actively written out of history soon after her own death this book explores what we can reconstruct of the life of the queen tracing the way in which she and her image emerged in the wake of the first tentative decipherment of egyptian hieroglyphs during the 1820s 1840s and then took on the world over the next century and beyond all indications are that her final fate was a tragic one but although every effort was made to wipe out nefertiti s memory after her death modern archaeology has rescued the queen

pharaoh from obscurity and set her on the road to today's international status

this comprehensive study guide covers everytopic in the last two sections of the hsc ancient history course and has been specifically created to maximise exam success this guide has been designed to meet all study needs providing up to date information in an easy to use format this is the second of the two new ancient history study guides excel ancient history book 2 contains a chapter on every topic available in the last two sections of the hsc course section i ii personalities in their times and section iv historical periods an introductory section on how to use the book with an explanation of exam requirements revision questions in each chapter with answers and guidelines comprehensive bibliography and further reading lists key terms defined in each chapter plus a glossary of terms cross referencing between chapters for further information also available is excel ancient history book 1 which covers comprehensive coverage of sections i and ii of the hsc course section i personalities in the times and section ii ancient societies

nefertiti's sun temple publishes stone relief fragments excavated from the site of kom el nana at tell el amarna egypt dating to approximately 1350 bce this is the first time relief fragments can be associated with a specific wall from a specific temple at tell el amarna jacquelyn williamson reconstructs the architecture art and inscriptions from the site to demonstrate kom el nana is the location of queen nefertiti's sunshade of re temple and another more enigmatic structure that served the funerary needs of the non royal courtiers at the ancient city the art and inscriptions provide new information about queen nefertiti and challenge assumptions about her role in pharaoh akhenaten's religious movement dedicated to the sun god aten

egypt history eighteenth dynasty ca 1570 1320 b c

includes pictures includes ancient accounts includes a bibliography for further reading africa may have given rise to the first human beings and egypt probably gave rise to the first great civilizations which continue to fascinate modern societies across the globe nearly 5 000 years later from the library and lighthouse of alexandria to the great pyramid at giza the ancient egyptians produced several wonders of the world revolutionized architecture and construction created some of the world's first systems of mathematics and medicine and established language and art that spread across the known world with world

famous leaders like king tut and cleopatra it's no wonder that today's world has so many egyptologists perhaps the most intriguing aspect of ancient egyptian civilization was its inception from the ground up as the ancient egyptians had no prior civilization which they could use as a template in fact ancient egypt itself became a template for the civilizations that followed the greeks and the romans were so impressed with egyptian culture that they often attributed many attributes of their own culture usually erroneously to the egyptians with that said some minor elements of ancient egyptian culture were indeed passed on to later civilizations egyptian statuary appears to have had an initial influence on the greek version and the ancient egyptian language continued long after the pharaonic period in the form of the coptic language although the egyptians may not have passed their civilization directly on to later peoples the key elements that comprised egyptian civilization including their religion early ideas of state and art and architecture can be seen in other pre modern civilizations indeed since egyptian civilization represented some fundamental human concepts a study of their culture can be useful when trying to understand many other pre modern cultures part of the reason egyptian history is so intriguing is because it is so enigmatic even today despite the wealth of written materials and countless monuments egyptologists constantly uncover more mysteries about ancient egypt even if many of those mysteries are somewhat mundane and appeal more to academics for example historians still debate precise chronologies of dynasties theological nuances and architectural details one such mystery that shows no signs of going away is the history of the archeological site known as amarna which is actually the name of the modern village that is closest to the ancient egyptian city of akhet aten akhet aten was built during the reign of one of egypt's most enigmatic pharaohs akhenaten ruled ca 1364-1347 bce and modern archaeological studies have shown it was hastily built and almost as quickly abandoned although the city had a brief lifespan it was vitally important at the time so much so that the late eighteenth dynasty has been named the amarna period by modern scholars the importance is reflected in the changes that akhenaten attempted to make to egyptian religion art architecture and society all of which can be found among the ruins of amarna from texts that described the aten as the one true god to the depictions of the royal family that were like nothing seen before or after in ancient egyptian art an examination of akhenaten's rule and the life of the city of akhet aten has helped modern scholars unravel some of the mysteries of the amarna period but many still remain akhenaten and amarna the history of ancient egypt's most mysterious pharaoh and his capital city chronicles what's known and unknown about the egyptian city and the pharaoh who was responsible for it along with pictures depicting important people places and events you will learn

about amarna like never before

more than three thousand years ago a sculptor working in the royal city of amarna carved a limestone bust of an egyptian queen the queen was nefertiti consort of the heretic pharaoh akhenaten plastered and painted nefertiti s bust depicted an extraordinarily beautiful woman however akhenaten s reign was drawing to an end and the royal family was soon to be written out of egypt s official history not long after its creation the stone nefertiti was locked in a storeroom and forgotten in 1912 the bust was re discovered and transported to germany initially hidden from the public view the beautiful queen was eventually displayed in berlin museum instantly she became an ancient world celebrity egypt has yielded more than its fair share of artistic masterpieces but no other sculpture has so successfully bridged the gap between the ancient and modern worlds the timeless beauty of the nefertiti bust both attracts us and sparks our imagination but in so doing it obscures our view of the past shifting attention not only from the other members of the amarna court but also from other equally valid representations of nefertiti herself in this book joyce tyldesley explores the creation of a cultural icon from its ancient origins to its modern context its discovery its display and its dual role as a political pawn and artistic inspiration

a true book queens and princess tells the stories of women who were born or married into royalty who were these women who ruled nations and kingdoms and touched the lives of their people being a queen or princess is more than sitting on a throne a true book queens and princess tells the stories of women who were born or married into royalty who were these women who ruled nations and kingdoms and touched the lives of their people they led sensational and sometimes luxurious lives they also made sacrifices they impacted war and peace politics and economics culture and tradition these queens and princesses were so much more than their bejeweled crowns with engaging text primary source material infographics photography and artwork queens and princesses follows these vibrant women from childhood to the end of their reign long a source of fascination queens and princesses introduces royals from the ancient world to contemporary times all of whom influenced their era and left a compelling legacy who was the egyptian queen who ruled alongside her husband in a partnership previously unseen in the ancient world it was nefertiti who used her influence to bring about cultural change by moving the seat of power and introducing a new religion and then she vanished why are all traces of this fascinating royal virtually erased from history what clues to queen nefertiti s fascinating life remain

nefertiti one of ancient egypt s most captivating and influential queens remains a figure shrouded in mystery and intrigue her name meaning the beautiful one has come hints at her exotic origins though little is known for certain about her early life some historians believe she was a member of the egyptian nobility possibly the daughter of ay a prominent official others suggest foreign origins potentially linking her to mitanni royalty regardless of her birthplace nefertiti s remarkable journey from obscurity to queenhood is a testament to her enduring legacy nefertiti s life took a dramatic turn when she married amenhotep iv later known as akhenaten their union marked the beginning of one of ancient egypt s most transformative periods as akhenaten s great royal wife nefertiti played a central role in the royal family often depicted alongside her husband in scenes of worship and domestic life their partnership appeared to be one of both love and power as nefertiti is shown participating actively in religious ceremonies and royal duties signifying her status as more than just a consort upon ascending to the throne akhenaten and nefertiti initiated radical religious changes abandoning traditional polytheism in favor of the monotheistic worship of aten the sun disk this religious revolution known as the amarna period saw the couple establish a new capital akhetaten modern day amarna nefertiti s involvement in this spiritual shift was profound as she was frequently depicted alongside akhenaten worshiping aten with equal devotion she became a symbol of the new religious order embodying divine femininity and royal authority

a new account of the return to orthodoxy after akhenaten s revolution which combines erudition with expertise to create an exciting account of a much mythologized period book news now in a fully revised paperback amarna sunset tells the story of the decline and fall of the pharaoh akhenaten s religious revolution in the fourteenth century bc beginning at the regime s high point in his year 12 it traces the subsequent collapse that saw the deaths of many of the king s loved ones his attempts to guarantee the revolution through co rulers and the last frenzied assault on the god amun the book then outlines the events of the subsequent five decades that saw the extinction of the royal line an attempt to place a foreigner on egypt s throne and the accession of three army officers in turn among its conclusions are that the mother of tutankhamun was none other than nefertiti and that the queen was joint pharaoh in turn with both her husband akhenaten and her son as such she was herself instrumental in beginning the return to orthodoxy undoing her erstwhile husband s life work before her own mysterious disappearance this fully updated and extensively revised paperback edition addresses new evidence and discussions that have appeared in the decade since the book was originally published amarna sunset together with its recently updated companion

volume amarna sunrise accordingly provides readers with a comprehensive up to date overview of egyptian history during the golden years of the late bronze age in the eastern mediterranean and the near east

this text explores the religious and artistic revolution in akenhenaten and nefertiti s city amarna
