housing care and inheritance draws on the author's long standing research into housing issues surrounding the ageing society a phenomenon which is now a concern in many mature economies if an adult child provides care for their elderly parent should that person be rewarded if so should they inherit their parent's house or a larger share of the assets the generational contract is often influenced by cultural norms family traditions social policy and housing market so it is negotiated differently in different societies and at different times such generational contract is however breaking down as a result of socio economic and demographic changes drawn from the two part study funded by the uk economic social research council misa izuhara explores

the myth and the changing patterns of the particular exchange of long term care and housing assets between older parents and their adult children in britain and japan highly international and comparative in perspectives this study addresses important sociological as well as policy questions regarding intergenerational relations involving housing wealth long term care and inheritance

the lloyd s register of shipping records the details of merchant vessels over 100 gross tonnes which are self propelled and sea going regardless of classification before the time only those vessels classed by lloyd s register were listed vessels are listed alphabetically by their current name
