provides a forceful corrective to the idea that britain stood alone until the invasion of the soviet union and the attack on pearl harbor brought about the grand alliance based on extensive archival research the book demonstrates that 1939 to 1941 was a period of intensive diplomatic activity by the british foreign office designed to ensure that britain's potential enemies especially soviet russia italy and japan remained neutral and that its most desirable potential ally the united states remained as friendly as possible until it could be

persuaded to join in the conflict the book highlights the importance of diplomacy towards neutrals for british policy considers the complexities of the situation tying together issues such as blockade and the disposition of british forces in various theatres explores decision making within the british government examining how the diplomatic considerations of the foreign office played into wider debates amongst ministers and senior civil servants and discusses the various courses towards neutrals including alternatives advocated within the foreign office overall the book provides a rich highly nuanced view of british policy in this crucial period

what if your 9 to 5 was a battlefield and you ve been unarmed the entire time in this razor sharp reinterpretation of sun tzu s the art of war the workplace is exposed for what it truly is a silent war zone where influence perception and positioning determine who rises who fades and who gets erased the art of office war isn t a book about leadership clichés or teamwork platitudes it s a tactical field manual for navigating power plays mastering subtle influence and winning without open confrontation through timeless strategy disguised in modern dress it teaches you how to read people like battlefield units steer decisions without credit weaponize deference control your narrative and dismantle alliances without being noticed every chapter translates ancient warfare into sleek professional maneuvering the rules of survival are no longer about who works hardest they re about who understands the terrain who sees the invisible lines of loyalty and who knows when to speak when to vanish and when to strike forget motivational fluff this is about control about leverage about rising without asking let others play the game you ll be playing war
