this volume is the first comprehensive study of the material imprint of slavery in early medieval europe while written sources attest to the ubiquity of slavery and slave trade in early medieval british isles scandinavia and slavic lands it is still difficult to find material traces of this reality other than the hundreds of thousands of islamic coins paid in exchange for the northern european slaves this volume offers the first structured reflection on how to bridge this gap it reviews the types of material evidence that can be associated with the institution of slavery and the slave trade in early medieval northern europe from individual objects such as e g shackles to more comprehensive landscape approaches the book is divided into four sections the first presents the analytical tools developed in africa and prehistoric europe to identify and describe social phenomena associated with slavery and the slave trade the following three section review the three main cultural zones of early medieval northern europe the british isles scandinavia and slavic central europe the contributions offer methodological reflections on the concept of the archaeology of slavery they emphasize that the material record by its nature admits multiple interpretations more broadly this book comes at a time when the history of slavery is being integrated into academic syllabi in most western countries the collection of studies contributes to a more nuanced perspective on this important and controversial topic this volume appeals to multiple audiences interested in comparative and global studies of slavery and will constitute the point of reference for future debates

der band diskutiert die rolle und wichtigkeit von verfassungen in modernen gesellschaften aus interdisziplinärer perspektive wird aufgezeigt wie sich verfassungen trotz großer vielfalt innerhalb der gesellschaft entwickeln konnten und wie sie dabei helfen ein gemeinsames moralsystem zu schaffen der mensch ist die einzige spezies die in großen gemeinschaften leben kann obwohl ihre mitglieder genetisch unabhängige individuen sind diese vielfalt macht die rolle von verfassungen besonders komplex die arbeit beleuchtet wie der konstitutionalismus zur etablierung eines einheitlichen moralsystems beiträgt

in the early 1850s white american abolitionist benjamin drew was commissioned to travel to canada west now ontario to interview escaped slaves from the united states at the time the population of canada west was just short of a million and about 30 000 black people lived in the colony most of whom were escaped slaves from south of the border one of the people drew interviewed was harriet tubman who was then based in st catharines but made several trips to the u s south to lead slaves to freedom in canada in the course of his journeys in canada drew visited chatham toronto galt hamilton london dresden windsor and a number of other communities originally published in 1856 draws book is the only collection of first hand interviews of fugitive slaves in canada ever done it is an invaluable record of early black canadian experience

flannery and marcus demonstrate that the rise of inequality was not simply the result of population increase food surplus or the accumulation of valuables but resulted from conscious manipulation of the unique social logic that lies at the core of every human group reversing the social logic can reverse inequality they argue without violence

bradley s study carefully analyses and describes the 3 major slave rebellions and uprisings that occurred during the period 140 b c to 70 b c his analysis examines the conditions that led the slaves to resist and how they maintained the rebellion

yet these ventures aimed at raising awareness of the horrors of slave trade and slavery at honouring struggles for the emancipation of the enslaved at examining the aftermath of slavery like the emergence of a new historic consciousness at restoring broken links and solidarity between the historically dislocated diasporas and their countries of origin at commemorating sites of memory and at celebrating artistic and cultural message such as the unesco s slave route project have largely focused on the atlantic world and the deportation of slaves from africa to other parts of the world raising questions about the legacy of slavery in other societies like those in asia the pacific and europe where slavery still remains on the margins of national and post colonial histories this edited volume is an attempt to reconsider slavery
