this dictionary makes available for the first time a broad range of knowledge unknown or little known to the western world and indeed much information that is now lost to present day albanians as such it serves as a basic work of reference for readers and scholars specialising in the societies of the balkans th study of religious and anthropology

historically albanians have practised a traditional tolerant form of sunni and bektashi islam now a third more radical interpretation of islam is gradually being introduced by young albanians who have studied abroad in islamic countries

for over a century albanians have been urged to view religious differences as unimportant but are they by conducting an unique set of interviews with representatives of the country s high ranking clerics cecilie endresen tries to answer this question the clerics speak of an interplay between nation and religion in the their own symbolic universes and expound on such themes as salvation religious tolerance historical developments theological differences and politics while embracing national unity and religious tolerance as an overriding ethos they nonetheless manifest a certain religious rivalry and a sense of unjust treatment as such they appear to contradict their own claims at the same time they are proud to be albanian and intent on upholding national unity their perception of what it means to be albanian is invariably related to the question of religious differences and inter religious relations endresen s study investigates religion in multi religious post atheist albania by highlighting the fluidity and the extreme complexity of relations between nation and religion in albania compounded by the effects of global politics local traditions religious doctrine personal experience regional history national myths communist propaganda and conspiracy theories

it has long been a common place of balkan studies and historical writing about the

balkans to state that religion is often a major factor in conflicts this publication illuminates the background to this complex religious culture in albania and also touches upon subjects of importance in relevant neighboring nations greece and montenegro

religion in albania has had a complicated history with orthodoxy bektashi and sunni islam catholicism coexisting throughout much of the history of this balkan nation this book traces the rise of the albanian orthodox church from the beginnings of albanian nationalist movements in the late nineteenth century until the end of the second world war and the communist takeover it examines the struggles of the albanian state and church to establish the church s independence from foreign influence amid a complex geopolitical interplay between albania neighbouring greece and its powerful ecumenical patriarchate the italian and yugoslav interference and the shifting international political circumstances the book argues that greece s involvement in the albanian ecclesiastical issue was primarily motivated by political and territorial aspirations as athens sought to undermine the newly established albanian state by controlling its orthodox church through pro greek bishops appointed by the patriarchate with its independence finally recognized in 1937 the albanian orthodox church soon faced new challenges with the italian and later german occupation of the country during the second world war the church s expansion into kosovo the italian effort to place the church under papal authority and the ultimate threat the imminent victory of communist forces

chapters

vols for 1828 1934 contain the proceedings at large of the american board of commissioners for foreign missions

statement and acknowledgements welcome and announcements introductory information congress committees the academic program formal meetings of the iahr the congress director s general report of the xxth iahr congress the congress administrator s statistical report abstracts of papers for the xxth iahr congress alphabetic list of all congress participants

the historical dictionary of albania endeavors to provide a comprehensive overview not only of albanian history but also of contemporary albania as it enters the 21st century focusing as it does both on the past and on a modern european nation struggling to put its formidable stalinist past behind it for half a century albania was a planet of its own isolated from the rest of mother earth since the fall of the communist regime the albanians have been striving not without difficulty to find their place among the nations of europe this work offers the reader basic factual information on the country its historical development its current situation and the culture of its people through its 700 entries

upon her arrival in tirana albania in april 1994 the author found a city unlike any other she had experienced rotting trash was piled in the center of the streets animals shared the rutted roads with cars and housing when it could be found was crowded and crumbling but she found a people full of optimism particularly the women despite the subservient role forced by tradition on nearly all albanian women they have increasingly become the foundation upon which the country exists not only are they responsible for caring for extended households these women are now also becoming vital parts of the country s economy most importantly however they maintain a faith in albania that belies the country s turbulent past and widely predicted future through interviews with over 200 albanian women this work is an insightful often poignant look at a country that remains a mystery to most in the west

translations of articles from various publications

Getting the books **The Dictionary Of Albanian Religion Mythology And Folk Culture** now is not type of challenging means. You could not deserted

going behind book deposit or library or borrowing from your connections to approach them. This is an categorically easy means to specifically get lead by on-
