coming very soon we're seeing end times prophecies unfold as we Christ's beloved come of age for spirit-filled spousal love this is after all a divine romance we're living in

our greatest commandment is to love the Lord our God with all our hearts and with all our souls and with all our minds this is the first and greatest commandment how do we put this commandment into action to love the God of heaven and earth in our daily lives

you want me to tell you why God is to be loved and how much I answer the reason for loving God is God himself and the measure of love due to him is immeasurable love is this plain doubtless to a thoughtful man but I am debtor to the unwise also a word to the wise is sufficient but I must consider simple folk too therefore I set myself joyfully to explain more in detail what is meant above we are to love God for himself because of a twofold reason nothing is more reasonable nothing more profitable when one asks why should I love God he may mean what is lovely in God or what shall I gain by loving God in either case the same sufficient cause of love exists namely God himself and first of his title to our love could any title be greater than this that he gave himself for us unworthy wretches and being God what better gift could he offer than himself hence if one seeks for God's claim upon our love here is the chiefest because he first loved us I John 4:19

author James Buddy Sheets gives a clear picture of the love of God as he intends for us to understand it in the busyness and activity of our modern lives it is easy to forget that love relationship that the Lord so desires to have with every believer a clear image of that loving relationship between Christ and his bride the church is outlined here for those who would like to have a closer more intimate relationship with the Savior don't let that intimate relationship with Jesus get lost in the everyday hubbub of life

help people to understand who god is and to learn about his presence the book is meant to help readers to gain more understanding about god and to experience his love and presence in the midst of our problems the loving god series is about one true living god the importance of the obedience to him through the lord jesus christ the implementation of his commandments in our daily life and the acknowledgment of his mercy and grace we will receive the eternal reward when we faithfully walk with him the loving god series is indeed not just for christians but also for non christians to have hope in times of peace difficulties distress disappointments or disaster

chuck colson s classic offers a penetrating and challenging look at the cost and joy of being a christian

jesus said you must love the lord your god with all your soul and with all your strength and with all your mind and your neighbor as yourself luke10 27 if one had to choose a single verse in the bible that is a formula for successful living this would be the one to live by says joyce meyer love god yourself and others in that order many christians get mixed up about love they know they should love god and others but many do not understand that loving oneself is one third of god s equation they mistakenly think of it as selfishness or self aggrandizement joyce meyer believes that this misconception is one of the greatest pitfalls in the christian journey loving oneself in a balanced healthy manner is essential in order to have healthy relationships with god ourselves and others drawing upon her previous work and teaching series as well as original devotions the author of power thoughts examines the three loves that we ve been commanded to exhibit

love is such a beautiful thing that everyone needs to have it unfortunately very few of us want to give it and fewer still even know the real meaning of true love love is indefinable really because it is so vast even though we were created in love by love and for love by god it is sad that we are not living in love love is an emotion and you have to feel it for yourself to know what true love means the dictionary will

give you examples of love the elders will tell you about love but it will be based on their own encounters with love love has to be in your heart not in your head love has no boundaries so you can never say you know all about love the more you find love the more it grows the fact that we have all sinned and come short of the glory of god makes us unable to have the agape love only god s love is true and pure we do not have to ask for it he has given us love from the beginning we should be forever grateful and thankful for the love of god is always with us the bible tells us in psalm 136 1 give thanks to the lord for he is good his love endures forever niv god is always teaching and telling us how to love and to live in love for he is a loving god psalm 133 1 says behold how good and pleasant it is when brothers dwell in unity he even commanded us to love our neighbors as ourselves we do not even love our own families or ourselves much less to think of loving our neighbors instead we grudge them for their big houses and fine cars and better jobs search your hearts you are blessed give thanks and love to god
