there are many people and many authors who believe that civilization mankind or our species

has amnesia i do not believe this i believe we have been lied to since the beginning of recorded history and even before that the first half of this book is about our four previous civilizations and the out of place artifacts and knowledge that has been hidden debunked lost or forgotten such as the giant skeletons recorded in most newspapers in the 19th century recorded indian vimanas that flew powered by a spinning plasma engines in 7 000 bce as well as flying aeros in bavaria and the western united states it is about the cro magnon giants of the atlantean civilization escaping to the area of the caucasus mountains northern africa the canary islands and the east coast of the americas during the solar system cataclysm in 10 900 bce it is about that same tall atlantean aryan iranian race with blue eyes and red and blonde hair that migrated from the caucasus mountains and became the ruling class from china to egypt it is also the story of the stealing destroying hiding and perverting the occult and lost knowledge of the brotherhood by the high priests of egypt known as the scarlet council so that only they could control who could become part of their new brotherhood that ancient knowledge was also perverted by the addition of the jewish kabbalah a mixture of alchemy numerology gematria and magic as well as by the alumbrados an emerging occult movement founded by spanish marranos the members were baptized jews who secretly kept their telmudic faith also the khazars krypto jews from near the black sea with their knowledge of babylonian black magic and money magic perverted the mysteries this confusing jumble was added to the existing egyptian osiris isis horus cult which was the basis of freemasonry which was infiltrated by adam weishaupt and his 2000 members along with the jesuits and the vatican this became the new illuminati finally it is about the control of the masses by religion and by the alchemy of social engineering to manipulate the masses through disinformation brainwashing and the fear of terror it uses mass death rituals like 9 11 and public assassination rituals such as that of jfk for shock value the use of this alchemical social engineering is used in the engineering of consent in order to protect the masses from the terror and hopelessness that the brotherhood itself has created this culture of control can also be seen by the use of political correctness the additional attempts to limit free speech and the creation of hopelessness mistrust and eugenics by lockdowns masks quarantines and forced use of untested injections remember the nuremberg code and never again that was a lie as well we are living it that lie

manufacturing consent noam chomsky and the media the companion book to the award winning film charts the life of america s most famous dissident from his boyhood days running his uncle s newsstand in manhattan to his current role as outspoken social critic a complete transcript of the film is complemented by key excerpts from the writings interviews and
