the erasmus reader extends this impact to the carrels and desks of beginning and advanced students of renaissance and reformation history

reading christian theology in the protestant tradition offers a distinctive approach to the value of classic works through the lens of protestantism while it is anachronistic to speak of christian theology prior to the reformation as protestant it is wholly appropriate to recognize how certain common protestant concerns can be discerned in the earliest traditions of christianity the resonances between the ages became both informative and inspiring for protestants who looked back to pre reformation sources for confirmation challenge and insight thus this book begins with the first christian theologians covering nearly 2000 years of theological writing from the didache justin martyr and origen to james cone josé míquez bonino and sallie mcfague five major periods of church history are represented in 12 key works each carefully explained and interpreted by an expert in the field

the most influential treatments of shakespeare s sonnets have ignored the impact of theology on his poetics examining instead the poet s secular emphasis on psychology and subjectivity reading shakespeare s will offers the first systematic account of the theology behind the poetry investigating the poetic stakes of christianity s efforts to assimilate jewish scripture the book reads shakespeare through the history of christian allegory to read shakespeare s will freinkel argues is to read his bequest to and from a literary history saturated by religious doctrine freinkel thus challenges the common equation of subjectivity with secularity and defines shakespeare s poetic voice in theological rather than psychoanalytic terms tracing from augustine to luther the religious legacy that informs shakespeare s work freinkel suggests that we cannot properly understand his poetry without recognizing it as a response to luther s reformation delving into the valences and repercussions of this response reading shakespeare s will charts the notion of a theology of figure that helped to shape the themes tropes and formal structures of renaissance literature and thought

this volume contains nineteen texts by the reformer philip melanchthon 1497 1560 most of them translated for the first time in english melanchthon s career as humanist and educator is illustrated by six academic lectures the augsburg confession of 1530 and occasional works on various topics reveal his efforts as a formulator and apologist for lutheranism his humanistic and

theological interests combine in three works on ethics and theological anthropology an introduction outlines his life and the place of his thought in the reformation
