gathers selections from the analects of confucius grouped by subject following the order of the i ching

the teachings of confucius are arranged in accordance with the 64 hexagrams of the i ching each of the 64 sections presents the reading from his i ching commentary and on the opposite page selections from his analects

presents confucius sayings in i ching order on topics such as morality behavior business diplomacy and spirituality

the analects of confucius is a collection of aphorisms and historical anecdotes embodying the basic values of the confucian tradition learning morality ritual decorum and filial piety reflecting the model eras of chinese antiquity the book is valued for its insights into the successful governance of the empire and its ideal organization of

society it has also been used for many centuries as a beginning text in the learning of classical Chinese the single most influential philosophical work in all of Chinese history the Analects of Confucius has shaped the thought and customs of China for centuries and has played a key role in the development of nearby countries such as Korea Japan and Vietnam Burton Watson's concise translation uses the Pinyin system of romanization and keeps explanatory notes to a minimum yet his intimate knowledge of the Confucian tradition and precise attention to linguistic detail capture all the elegance cogency and wit of the original text which continues to exert tremendous influence book jacket

attempting to clarify the mysteries of philosophy for the general reader this text covers the life and ideas of Confucius the only philosopher whose ideas of teaching moral values as the basis of social and political order were taken on as a full state religion

translated edited and introduced by Edward Y J Chung the Great Synthesis of Wang Yangming Neo Confucianism in Korea the Chonon Testament by Chong Chedu Hagok is the first study in a Western language of Chong Chedu Hagok 1649 1736 and Korean Wang Yangming Neo Confucianism Hagok was an eminent philosopher who established the unorthodox Yangming School Yangmyonghak in Korea this book includes an annotated scholarly translation of the Chonon Testament Hagok's most important and interesting work on Confucian self cultivation Chung also provides a comprehensive introduction to Hagok's life scholarship and thought especially his Great Synthesis of Wang's philosophy of mind cultivation and moral practice in relation to the classical teaching of Confucius and Mencius and his critical analysis of Zhu Xi Neo Confucianism and its Songnihak tradition Chung concludes that Hagok was an original scholar in the Songnihak school a great transmitter and interpreter of Yangming Neo Confucianism in Korea and a creative thinker whose integration of these two traditions inaugurated a distinctively Korean system of ethics and spirituality this book sheds new light on the breadth and depth of Korean Neo Confucianism and serves as a primary source for philosophy and East Asian studies in general and Confucian studies and Korean religion and philosophy in particular

compiled by disciples of Confucius in the fourth century B C E the Analects of Confucius is a collection of aphorisms and historical anecdotes embodying the basic values of the Confucian tradition learning morality ritual decorum and filial piety reflecting the model eras of Chinese antiquity the book is valued for its insights into the successful governance of the empire and its ideal organization of society jacket flap

first published in 1938 previous translations of the Analects of Confucius are based upon a medieval interpretation which reflects the philosophy of the 12th century A D rather than of the 5th century B C when Confucius lived this book detaches the Analects from the scholastic interpretation and lets these famous sayings speak for themselves

Confucius was the only philosopher whose ideas were taken on as a full state religion

born into an aristocratic family he rose to become a minister in the state of lu in china after falling out with the ruler he became a wandering sage trying to replace empty religious observances by teaching moral values as the basis of social and political order these witty and informative guides cover the lives and ideas of the major philosophers award winning author paul strathern s concise and easily comprehensible style highlights the major advances in philosophy as well as the men who conceived them and the times in which they lived packed with striking quotes insights and anecdotes the aim of the virgin philosophers series is to clarify the mysteries of philosophy for the general reader

the superior man bends his attention to what is radical that being established all practical courses naturally grow up filial piety and fraternal submission are they not the root of all benevolent actions to rule a country of a thousand chariots there must be reverent attention to business and sincerity economy in expenditure and love for men and the employment of the people at the proper seasons if a man withdraws his mind from the love of beauty and applies it as sincerely to the love of the virtuous if in serving his parents he can exert his utmost strength if in serving his prince he can devote his life if in his intercourse with his friends his words are sincere although men say that he has not learned i will certainly say that he has without an acquaintance with the rules of propriety it is impossible for the character to be established without knowing the force of words it is impossible to know men

few individuals shaped their country s civilization more than confucius 551 479 bce compulsory reading in the late imperial period for all who wished to enter the government or civil service his sayings and those of his disciples formed the foundation of a distinct social ethical and intellectual system that is still admired in today s china this new translation by a foremost scholar of classical chinese includes an introduction textual and explanatory notes and a chronology

the analects has been translated many times by ezra pound arthur waley lin yutang raymond dawson d c lau and most recently simon leys and the translations vary widely in style and substance waley s analects translated in 1938 has dominated the academic marketplace but today seems dated hinton s translation breathes new life into confucius s majestic vision of the human community nestled in the primal ecology of a harmonious cosmos

to quietly persevere in storing up what is learned to continue studying without respite to instruct others without growing weary is this not me confucius confucius is recognized as china s first and greatest teacher and his ideas have been the fertile soil in which the chinese cultural tradition has flourished now here is a translation of the recorded thoughts and deeds that best remember confucius informed for the first time by the manuscript version found at dingzhou in 1973 a partial text dating to 55 bce and only made available to the scholarly world in 1997 the earliest analects yet discovered this

work provides us with a new perspective on the central canonical text that has defined chinese culture and clearly illuminates the spirit and values of confucius confucius 551 479 bce was born in the ancient state of lu into an era of unrelenting escalating violence as seven of the strongest states in the proto chinese world warred for supremacy the landscape was not only fierce politically but also intellectually although confucius enjoyed great popularity as a teacher and many of his students found their way into political office he personally had little influence in lu and so he began to travel from state to state as an itinerant philosopher to persuade political leaders that his teachings were a formula for social and political success eventually his philosophies came to dictate the standard of behavior for all of society including the emperor himself based on the latest research and complete with both chinese and english texts this revealing translation serves both as an excellent introduction to confucian thought and as an authoritative addition to sophisticated debate

world philosophies is a comprehensive survey of the world's philosophical and religious traditions by one of our foremost religious thinkers ninian smart discusses notable figures such as plato and kierkegaard in the west the buddha and mao zedong in asia tempels and knibanga in africa and rodo and royce in america covering a wide range of topics including indian ideas of testimony and evidence chinese notions of moral development buddhist concepts of cosmology and latin american critiques of materialism smart sheds new light on the astonishing diversity of philosophies that have developed throughout history

bruce and taeko brooks have returned this wide ranging text to its full historical and intellectual setting organizing the sayings in their original chronological sequence and permitting the analects to be read for maximum understanding not as a closed system of thought but as a richly revealing record of the interaction of life and thought as it evolved over almost the entire warring states period

the analects also known as the analects of confucius is a collection of sayings and ideas attributed to the chinese philosopher confucius the analects has been one of the most widely read and studied books in china for the last 2 000 years and continues to have a substantial influence on chinese and east asian thought and values today confucius believed that the welfare of a country depended on the moral cultivation of its people beginning from the nation's leadership he believed that individuals could begin to cultivate an all encompassing sense of virtue through ren and that the most basic step to cultivating ren was devotion to one's parents and older siblings he taught that one's individual desires do not need to be suppressed but that people should be educated to reconcile their desires via rituals and forms of propriety through which people could demonstrate their respect for others and their responsible roles in society he taught that a ruler's sense of virtue was his primary prerequisite for leadership his primary goal in educating his students was to produce ethically well cultivated men who would carry

themselves with gravity speak correctly and demonstrate consummate integrity in all things
