this book argues that the mass is the most characteristic socio historical feature of our century kierkegaard was the first to anticipate and delineate this phenomenon philosophically heidegger appropriated much from kierkegaard but recast the mass into the fundamental ontology of das man moreover his work was informed by nietzsche s understanding of nihilism and the will of power finally the masses are considered from the vision of ortega y gasset s philosophy of human life this book relates all four of these thinkers into a philosophical perspective upon the nature of the mass

suitable for undergraduate courses in existentialism late 19th century thought philosophy of religion and introduction to philosophy introducing students to existentialist philosophy through the writings of kierkegaard nietzsche de beauvoir and others this unique anthology includes long selections from a relatively small number of existentialist thinkers exploring each philosopher s views in great detail and prefacing the essays with insightful introductions to help clarify material and aid in student comprehension

in kierkegaard and modern european philosophy an introduction michael weston argues that despite being acknowledged as a precursor to nietzsche and post nietzschean thinkers such as heidegger and derrida the radical nature of kierkegaard s critique of philosophy has

been missed weston examines and explains the metaphysical tradition as exemplified by plato and hegel and the post metaphysical critiques of nietzsche heidegger and derrida he shows how kierkegaard s ethical critique of philosophy undermines the former and escapes the latter he considers another ethical critique of philosophy that of levinas before identifying ethics as the non philosophical site where philosophy can be criticised kierkegaard and modern european philosophy an introduction argues that by refusing to allow philosophy jurisdiction over ethics and religion kierkegaard s critique applies as much to modern continental thought as to the metaphysical thought it seeks to undermine

great philosophers such as kierkegaard nietzsche and sartre have clearly been preoccupied by the possibility of authenticity in this study jacob golomb looks closely at the literature and writings of these philosophers in his analysis of their ethics golomb s writings shows his passionate commitment to the quest for the authenticity particularly in our climate of post modern scepticism he argues that existentialism is all the more pertinent and relevant today when set against the general disillusionment which characterises the late twentieth century this book is invaluable reading for those who have been fascinated by figures like camus s meursault sartre s matthieu and nietzsche s zarathustra
