the encyclopedia of twentieth century photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner this unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force this encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography to bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section a useful glossary of terms is also included

during the 1885 to 1924 immigration period of plantation laborers from japan to hawaii more than 200 000 japanese mostly single men made the long journey by ship to the hawaiian islands as it became apparent that they would never return to japan many of the men sent for brides to join them in their adopted home more than 20 000 of these picture

brides immigrated from japan and okinawa to hawaii to marry husbands whom they knew only through photographs exchanged between them or their families based on barbara kawakami's first hand interviews with sixteen of these women picture bride stories is a poignant collection that recounts the diverse circumstances that led them to marry strangers their voyages to hawaii the surprises and trials that they encountered upon arriving and the lives they led upon settling in a strange new land many found hardship yet persevered and endured the difficult conditions of the sugarcane and pineapple plantations for the sake of their children as they acclimated to a foreign place and forged new relationships they overcame challenges and eventually prospered in a better life the stories of the issei women exemplify the importance of friendships and familial networks in coping with poverty and economic security although these remarkable women are gone their legacy lives on in their children grandchildren and succeeding generations in addition to the oral histories the result of forty years of interviews the author provides substantial background on marriage customs and labor practices on the plantations

this volume presents the rich but under utilised and in parts inaccessible archival historic aerial imagery traditional photographs and those captured from satellites for the exploration and management of cultural heritage an unparalleled resource for archaeologists and all with an interest in landscapes images spanning the second half of the 20th century provide an unrivalled means of documenting and understanding change and informing the study of the past case studies written by leading experts in their fields illustrate the applications of this imagery across a wide range of heritage issues from prehistoric cultivation and settlement patterns to the impact of recent landscape change contemporary environmental and land use issues are also dealt with in a volume that will be of interest to archaeologists historians geographers and those in related disciplines

winner of the 2024 sabr larry ritter book award for best deadball era baseball book finalist 2nd place for 2023 casey award for best baseball book of the year a treasure trove of baseball photographs from the first two decades of the twentieth century baseball photography of the deadball era is not only a visually stunning coffee table book it is a heavyweight history of the game's first photographers and the images they captured and serves as a definitive reference guide for researchers and collectors doug skipper chairman of the larry ritter book award committee while ostensibly a tool for collectors to identify and authenticate deadball era photographs a purpose at which it excels this book is so much more at its heart baseball photography of the deadball era is the definitive story of the rise of baseball press photographers in the early 20th century and a celebration of the visual splendors of the game they captured collectors have long admired the artistry of their beautiful sepia toned baseball prints from the early 1900's these images are visual time machines that transport us back to those halcyon days when we romanticize that baseball was pure what collectors haven't appreciated as they have long been shrouded in mystery are the stories of the men behind the lens and the photo syndicates who distributed their work these photographers indelible images brought the game from the field to the fans and helped create the baseball legends we still revere this book lifts the veil on their previously untold stories through extensive research and newfound discoveries the lives of many of the photographic artists and innovators who brought the game to life have been revealed their stories are as fascinating as those of the more famous men in front of the lens some names are iconic such as charles conlon some should be such as

frances burke dozens more are profiled all in far more detail than has ever been presented before of course the book contains hundreds of gorgeous rare images of the deadball era many never seen before by the public longtime collectors have generously granted use of their private collections to embellish this story and what a visual feast it is ty cobb babe ruth christy mathewson shoeless joe jackson and other ballyard legends are all here as seen in their glory days many readers will buy the book for the images alone my hope is they stick around for the stories
