tznius modesty is an integral facet of jewish life in a world where modesty is recognized more by its absence than by its presence there has never been a greater need for a definitive work on this vital quality but what precisely are the laws of modesty what are its parameters where are its applications in this long awaited work the laws and ideology of modesty are tackled in an exhaustive and comprehensive manner all the laws of tznius whether in dress or behavior speech and social interaction are collated and explained in the clear and lucid manner that is characteristic of the author back cover

the well known attorney discusses what it is like to be jewish today examining such issues as anti semitism the holocaust assimilation zionism civil rights the role of jews in the u s s r and changes in eastern europe

deceptive images is a profoundly thoughtful effort by a social scientist who is a participant observer in american jewish life to come to terms with his concerns about how american jews and judaism have been studied and his sensitivity to the policy implications of such studies liebman writes about what he cares deeply about as a social scientist he is able to use concepts and theories in which he has been trained although not without a sense of their limitations in the passionately argued book that results liebman contends that those concerned with american jews both social scientists and communal leaders have placed too much emphasis on what jews do and too little emphasis on judaism itself because they have depended too much on quantitative studies to help them understand contemporary american jews they have given too little encouragement to efforts to probe

the meaning of judaism in the lives of american jews this stimulating volume takes exception to the notion that american jewish life is flourishing it calls for reassessment both of the study of american judaism and the priorities of american jewish organizations

leading scholars address the interface between intellectual property and diversity with respect to culture religion race and gender

you re at the shabbos table you re singing the zemiros the sabbath songs the melodies move you the poetry is beautiful but what does it mean now with the same innovative format that has opened the siddur and tehilim to new vistas of understanding this new schottenstein edition brings you the beauty and meaning of the shabbos zemiros so as you sing you ll see the word by word translation and as you are moved by the traditional tunes and cadences your eyes and mind will enhance your joy

a powerful riveting novel with an important message the fabers were always one big happy family until their oldest son avrumie dared to challenge the fragile walls that held their lives together it began with the little things a smaller yarmulke
