Identifying emotion is an important milestone for children. This collection of feelings and emotions activities is perfect for engaging young children with recognizing, thinking, and talking about emotions. An important first step in the process of learning to manage emotions in more socially acceptable ways. Remember, you play an important role in your child's emotional development. Stay present and support your child to recognize and express their emotions. Give him as much time as he needs to use a mirror so children can reflect on what they look like showing different emotions with their face. This type of approach highlights to children that we show so much emotion with our eyes, eyebrows, and mouth. With this workbook, your child discovers the four main emotions: happiness, fear, anger, and sadness.

This cute journal and workbook is perfect for anyone who wants to get in touch with their emotions and feelings. Each section has space to write down what your feeling looks like, smells like, and even feels like. Enjoy getting to understand the human emotions your child or your teenager with this anxiety and anger feelings workbook.
