the emerging rock star of europe s anti austerity uprising daily telegraph a spirited book new yorker in this remarkable and provocative book yanis varoufakis former finance minister of greece explodes the myth that financialisation ineffectual regulation of banks greed and globalisation were the root causes of both the eurozone crisis and the global economic crisis rather they are symptoms of a much deeper malaise which can be traced all the way back to the great crash of 1929 then on through to the 1970s the time when a global minotaur was born today s deepening crisis in europe is just one of the inevitable symptoms of the

weakening minotaur of a global system which is now as unsustainable as it is imbalanced going beyond this varoufakis reveals how we might reintroduce a modicum of reason into what has become a perniciously irrational economic order an essential account of the socio economic events and hidden histories that have shaped the world as we now know it

the christian understanding of sex is defined by categories of right worship the iconic and sacred meaning of the sexed human body and the marriage of christ to the church centrally the love of god as the first reality of our lives right worship defines the love of one s neighbor as oneself sexual ethics this christian understanding has unique signatures that many young people today even in our churches have no inkling of this book unpacks and explains the distinctive ways in which sex is understood by jesus and the apostles and how this distinctive understanding shapes christian sexual commitments and behaviors for real human flourishing in sexual relationships comes only through the blessing of god once the core spiritual truths of a biblical outlook on human sexuality are clear the book then seeks to understand pornography feminism queer gender identity trans sexualism and homosexuality in a christian light in a time of great confusion about sex great damage from sexual relationships and a culture that habituates us in self focused individualism there is great need for the liberating gospel way in this domain if you are a christian and confused about the meaning of sex then this book is for you

the final installment in the critically acclaimed trilogy on globalization and art explores the growing dominance of asian centers of art this book takes readers on a fascinating journey around five asian centers of contemporary art and its myriad institutions agents forms materials and languages while posing vital questions about the political economy of culture and the power of visual art in a multi polar world he analyzes the financial powerhouse of art basel hong kong new media art in south korea the place of the kochi biennale within contemporary art in india transnational art and art education in china and the geo politics of art patronage in palestine and he develops a highly original synthesis of theoretical perspectives and empirical research drawing on detailed case studies and personal insights gained from his extensive experience of the contemporary art scene in asia professor harris examines the evolving relationship between the western centers of art practice collection and validation and the emerging peripheries of asian

tiger societies with burgeoning art centers and he arrives at the somewhat controversial conclusion that dominance of the art world is rapidly slipping away from europe and north america the global contemporary art world is essential reading for undergraduates and postgraduate students in modern and contemporary art art history art theory and criticism cultural studies the sociology of culture and globalization studies it is also a vital resource for research students academics and professionals in the art world

by evaluating previous public management research through marxist concepts this textbook offers innovative solutions to public service problems it updates marx s framework to reflect the growth of public services transitioning from abstract state notions to concrete service analysis addressing two critical gaps the book highlights the benefits of a marxist approach to public services and presents marxist ideas to examine these services at a micro level it demonstrates the relevance of marxist frameworks for public service professionals critically reviews current public management knowledge and sheds light on the dynamic nature of public services against the background of neoliberalism while doing so the book goes beyond a eurocentric perspective providing cases and practical examples from developed and developing countries with an additional focus on asian practices written by an award winning author with years of practical experience and designed for graduate and advanced undergraduate students each chapter sets clear learning objectives and reviews existing tools and frameworks the chapters also present new ways of improving public services encouraging readers to apply marxist concepts to their contexts and cultures this will also make this book a practical resource for practitioners and professionals seeking to resolve their grounded public services issues

this new book reviews all aspects of the phenomenon of mass tourism it covers theoretical perspectives including political economy ethics sustainability and environmentalism the historical context and the current challenges to domestic intra regional and international mass tourism as tourism and tourist numbers continue to grow around the world it becomes increasingly important that this subject is studied in depth and best practice applied in real life situations finishing with a speculative chapter identifying potential future trends and challenges this book forms an essential resource for all researchers and students within tourism studies

once in a while the world astonishes itself anxious incredulity replaces intellectual torpor and a puzzled public strains its antennae in every possible direction desperately seeking explanations for the causes and nature of what just hit it 2008 was such a moment not only did the financial system collapse and send the real economy into a tailspin but it also revealed the great gulf separating economics from a very real capitalism modern political economics has a single aim to help readers make sense of how 2008 came about and what the post 2008 world has in store the book is divided into two parts the first part delves into every major economic theory from aristotle to the present with a determination to discover clues of what went wrong in 2008 the main finding is that all economic theory is inherently flawed any system of ideas whose purpose is to describe capitalism in mathematical or engineering terms leads to inevitable logical inconsistency an inherent error that stands between us and a decent grasp of capitalist reality the only scientific truth about capitalism is its radical indeterminacy a condition which makes it impossible to use science s tools e g calculus and statistics to second guess it the second part casts an attentive eye on the post war era on the breeding ground of the crash of 2008 it distinguishes between two major post war phases the global plan 1947 1971 and the global minotaur 1971 2008 this dynamic new book delves into every major economic theory and maps out meticulously the trajectory that global capitalism followed from post war almost centrally planned stability to designed disintegration in the 1970s to an intentional magnification of unsustainable imbalances in the 1980s and finally to the most spectacular privatisation of money in the 1990s and beyond modern political economics is essential reading for economics students and anyone seeking a better understanding of the 2008 economic crash
