from the memories of everyday experience living atlanta vividly recreates life in the city during the three decades from world war i through world war ii a period in which a small regional capital became a center of industry education finance commerce and travel this profusely illustrated volume draws on nearly two hundred interviews with atlanta residents who recall in their own words the way it was from segregated streetcars to college fraternity parties from moonshine peddling to visiting performances by the metropolitan opera from the growth of neighborhoods to religious revivals the book is based on a celebrated public radio series that was broadcast in 1979 80 and hailed by studs terkel as an important exciting project a truly human portrait of a city of people living atlanta presents a diverse array of voices domestics and businessmen teachers and factory workers doctors and ballplayers there are memories of the city when it wasn t quite a city back in those young days it was country in atlanta musician rosa lee carson reflects it sure was why you could even raise a cow out there in your yard there are eyewitness accounts of such major events as the great fire of 1917 the wind blowing that way it was awful recalls fire fighter hugh mcdonald there d be a big board on fire and the wind would carry that board and it d hit another house and start right up on that one and it just kept spreading there are glimpses of the workday it s a real job firing an engine a darn hard job says railroad man j r spratlin i was using a scoop and there wasn t no eight hour haul then there was twelve hours sometimes sixteen and there are scenes of the city at play baseball was the popular sport remembers arthur leroy idlett who grew up in the pittsburgh neighborhood everybody had teams and people you could put some kids out there playing baseball and before you knew a thing you got a crowd out there watching kids play organizing the book around such topics as transportation health and religion education leisure and politics the authors provide a narrative commentary that places the diverse remembrances in social and historical context resurfacing throughout the book as a

central theme are the memories of jim crow and the peculiarities of black white relations accounts of klan rallies job and housing discrimination and poll taxes are here along with stories about the commission on interracial cooperation early black forays into local politics and the role of the city s black colleges martin luther king sr historian clarence bacote former police chief herbert jenkins educator benjamin mays and sociologist arthur raper are among those whose recollections are gathered here but the majority of the voices are those of ordinary atlantans men and women who in these pages relive day to day experiences of a half century ago

ebony is the flagship magazine of johnson publishing founded in 1945 by john h johnson it still maintains the highest global circulation of any african american focused magazine

chronicles the black experience in georgia from the early 1500s to the present exploring the contradictions of life in a state that was home to both the kkk and the civil rights movement

no history of the civil rights era in the south would be complete without an account of the remarkable life and career of grace towns hamilton the first african american woman in the deep south to be elected to a state legislature a national official of the young women s christian association early in her career hamilton later headed the atlanta urban league where she worked within the confines of segregation to equalize african american access to education health care and voting rights in the georgia legislature from 1965 until 1984 she exercised considerable power as a leader in the black struggle for local state and national offices promoting interracial cooperation as the key to racial justice her probity and moderation paved the way for the election of other black women and by the end of her political career no southern legislature was without women members of her race lorraine nelson spritzer and jean b bergmark examine two generations of african american history to give the long view of hamilton s activism the life spans of hamilton and her father an atlanta university professor who was her greatest mentor encompassed the best and worst of the african american experience inevitably shaping hamilton s outlook and achievements

a comprehensive guide to activities the whole family can enjoy black and schwartz have explored the great city of atlanta and the surrounding area and compiled a thorough guide of activities from amusement parks to museums to entertain and educate children of all ages the authors have visited each location with their children to give you complete information on each attraction including directions admission costs hours of operation and special items of interest

written by local authors with many years of experience in writing about their community the insiders guide rm series provide newcomers visitors and business travelers with a native s perspective of the area each guide details hotels restaurants annual events attractions nightlife parks and recreation real estate and much more covering more than 60 cities and areas nationwide the insiders guide rm series offer the best local insights on travel and relocation features include light easier to use 6 x 9 size easy to read typeface large photos and maps updated interior graphics thumb tabs for quick reference to specific chapters more at a glance information in every title expanded comprehensive indexes easy to use geographic organization in regional books from traditional to zany discover atlanta s allure with the help of longtime locals who know the way to atlanta s brightest and best spots

using oral history and the printed word sterling a brown set out during the second world war to capture the response of african americans primarily living in the south to america s involvement in the war and how it affected them these responses brought together in extended non fiction essays of many different types illustrate the diversity of opinions in the black south about the war and the war period in america for nearly sixty years the excerpts that were never published languished in brown s manuscript collection at howard university now for the first time all of the completed pieces of unpublished writings are combined with the few published sections into the book that brown envisioned the legacy brown left us is not only a superb portrait of the way in which african americans of the mid century talked and lived he also provided a methodology that oral and written historians will find extremely useful this is clearly a document from another time as its now outdated title reminds us but it reveals a world that still informs our sense of ourselves as a nation in fact it is an unforgettable history which brown has cast in a bright elucidating new

light

from 1540 to 1872

story of the atlanta life insurance company and how it became an economic base within the black community shortly after the turn of the century

william herndon 1649 1722 emigrated from england to new kent county virginia and married catherine digges descendants and relatives lived in virginia kentucky missouri kansas oklahoma north carolina south carolina georgia texas and elsewhere
