this is a masterful account of how people in the united states and around the world worked to abolish war as a legitimate act of state policy and won in 1928 outlawing war with a treaty that is still on the books swanson s account of the successful work of those who came before us to insist that war be outlawed points us toward new ways of thinking about both war and political activism

this comprehensive history of america in the 1920s presents the decade s most compelling controversies as precursors to today s culture wars americans have been embroiled in debate over culturally significant issues including race and immigration gender and sexuality and morality and religion for decades american culture as we know it is an amalgamation of generations of americans voices in these national debates many of which began in the 1920s this book provides a detailed account of 1920s america within the context of these issues the first on its subject written by a historian in almost 20 years it offers a fresh perspective of america during the roaring twenties and on the history of the very same social and political battles we struggle with today useful for students and history enthusiasts alike this work gives readers a holistic view of a popular decade and encourages discussion about its continued relevance to modern society other important topics covered include city values versus rural values creationism versus evolutionism the modern woman and prohibition

a history of our time
