a s neill was arguably the most famous child educator of the twentieth century he was certainly the most controversial all over the world countless parents and teachers have been shocked delighted or inspired by his subversive ideas about education or by a visit to that dreadful school which continues to this day summerhill first published in 1983 this sympathetic but critical exploration of his iconoclastic ideas and personality is the result of interviews with two hundred ex pupils parents and teachers about life at summerhill and of the practicality of neill s philosophy about child freedom jonathan croall has also drawn on many unpublished letters and documents which help to illuminate neill s personal struggles and his analysis and friendship with homer lane wilhelm stekel and wilhelm reich the result is a fascinating and revealing portrait of a remarkable man who in his absolute determination to be on the side of the child remained in permanent opposition to the adult world

in the last half century the american theater has become more a part of the global theatrical community and as a result america s playwrights and their works are receiving more attention internationally eugene o neill is perhaps the one american playwright who has gained the most renown with the global expansion of american theater this work is not only an annotated bibliography of published works about o neill but a careful record of the scores of productions of o neill s work both within and without the united states in english speaking countries and elsewhere and the large number of published translations of his plays covering the years 1973 through 1999 the eight sections of this large work each annotated are a articles in english b books with reviews indicated c dissertations d non english language articles books and dissertations e and f listings by play title of productions of o neill s plays in the united states and abroad g primary works by o neill and h miscellaneous information on o neill productions

in 1887 tip o neill left fielder for the st louis browns won the american association batting championship with a 492 average the highest ever for a single season in the major leagues yet his record was set during a season when a base on balls counted as a hit and a time at bat over the next 130 years the debate about o neill s correct average diverted attention from the other batting feats of his record breaking season including numerous multi hit games streaks and long hits as well as two cycles and the triple crown the browns entered 1887 as the champions of st louis the american association and the world following the lead set by their manager charles comiskey the browns did anything to win combining skill with an aggressive style of play that included noisy coaching incessant kicking trickery and rough play o neill did everything to win at the plate leaving the no holds barred tactics to his rowdier teammates
