abraham lincoln raved that this series of historical biographies gave him just that knowledge of past men and events which i need i have read them with the greatest interest to them i am indebted for about all the historical knowledge i have considered what we would now call young adult literature this collection first published between 1848 and 1871 was designed to present a clear distinct connected narrative of the lives of the great figures of world history those people who have been most influential at least as american author and educator jacob abbott 1803 1879 saw it from his 19th century perspective wildly popular and republished many times under different collected names this replica set mimics the 1904 reprint known as the makers of history series it will delight students of history as well as show the scholar how history telling has changed over the last few centuries more than 30 other volumes in the series are also available from cosimo classics this volume dating from 1848 covers charles i 1600 1649 from his childhood and early expedition to spain through the english civil war and his trial and death

includes titles on all subjects some in foreign languages later incorporated into memorial library
