essay from the year 2016 in the subject film science course esl efl language english abstract this essay is an examination of japanese film history up until the 1930s and reveals striking differences to that of the west silent films were the first variety of films to be shown in the 1890s as they were in many countries these films were largely influenced by the traditional japanese performing art known as kabuki which had a huge influence on films of this period as did other forms of art intrinsic to these early silent films was the presence of a physical narrator the benshi the benshi both resisted and had a lasting influence on sound films which began to be produced in the 1930s in addition to the above this paper will endeavour to demonstrate how japanese cultural perceptions influenced the use of cinematic techniques largely derived from the west and produced a national style of film by the 1930s in order to facilitate this discussion japanese film styles the influence of reform and culture and exactly how cinematic techniques were put to different uses as compared to the west will be examined it is clear that the japanese film up until the 1930s displayed a very

characteristic national style which differed from the west silent films were largely influenced by the traditional japanese performing art known as kabuki intrinsic to these early silent films was the presence of a physical narrator the benshi which has had a lasting influence to the present day cinematic techniques were used in different ways and for different purposes early reform of the japanese film industry in addition to making film more realistic and accessible for the working classes also allowed women to participate in film and for an entirely new genre of film to be created the influence of the dramatic and visual arts has had a lasting influence on japanese films up until the 1930s and has played a large part in the characteristic national style

while high art japanese cinema has been documented and analysed in the west the subject of popular and cult japanese movies has remained largely unexplored the fantastic vintage posters that drew the masses to kurosawa s samurai flicks godzilla and sex laden pink movies have also been locked away to western audiences this collection of the best of the genre opens up this world of snarling gangsters fire breathing lizards and animated dreams for anyone with a sense of humour

daisuke miyao reveals the undetected influence that japanese art and aesthetics had on early cinema and the pioneering films of the lumière brothers

this book examines the public perception scholarly reception and critical analysis of japan through translations of its literature and artistic endeavors within the temporal frame and geopolitical confines of the countries that were either occupied or left under the influence of the soviet union after world war ii by engaging with literary translations from japanese into languages such as romanian russian czech hungarian german and slovenian alongside art exhibits and performance shows focused on japan this book provides an original contribution to the field of japanese studies in eastern and central europe and the former soviet space in addition by offering a multifaceted multilingual and multicultural approach to the diverse realities of countries from the former communist bloc the book sheds light on the unique relationships they created with literary and artistic japan as well as the unique ways in which they attempted to lift the iron curtain and gaze at the asian other a subject of both fascination and identification approaching the subject of japanese culture through the unique lens of former communist bloc nations this book will appeal to students and scholars of japanese studies and japanese literature particularly in the context of translations
