these stories gathered by john paul lederach from the bible and from conflicts in the church and in public settings of various cultures show the narrative basis of personal experience and reconciliation journeying through conflict and to its resolution involves a choice of direction moving continuously toward reconciliation this means meeting oneself others and god a profound task that lies at the heart of the gospel a resource for small groups or adult education classes to reflect upon and use to explore the dimensions of reconciliation

while many non indigenous academic researchers have introduced the concept of reconciliation in their work they have not adequately explored what it means for transnational immigrants and refugee communities to view reconciliation as a source of knowledge and understanding how can assuming responsibility for reconciliation empower immigrant and refugee women communities why should immigrant and refugee communities embrace decolonial and anti racist ways of

knowing and acting to foster meaningful relationships with indigenous communities what does it entail to comprehend decolonial and anti racist learning and practice as a system of reciprocal social relations and ethical practices as a framework for reconciliation decolonial and anti racist transformative autoethnographic journey toward reconciliation a racialized immigrant woman s empowering stories aims to address these interdisciplinary questions it endeavors not only to challenge our static comprehension of reconciliation but also to demonstrate how assuming responsibility for relearning decolonial and anti racist meanings in our everyday practices is essential these include cultivating respectful relationships with indigenous peoples honoring indigenous treaties taking steps to decolonize our ways of knowing and acting understanding the impacts of colonial education processes preserving our land and environment ensuring food security and nutritional adequacy fostering intercultural spaces for social interactions and promoting transnational empowerment

crossing the divide tells the story of an individual s quest for reconciliation and healing in the face of personal and social division the author explores how they navigated the complexities of conflict whether internal or external and the profound journey toward understanding forgiveness and unity through powerful personal stories and lessons learned crossing the divide offers a message of hope for those who are struggling with conflict and division in their lives it is a compelling guide for anyone seeking to bridge divides heal wounds and create deeper connections with others

the author believes men today are left with the task of learning how to step into the future arena as a new kind of person lacking guideposts and health models that free them from the learned and inherited self denial isolation and falsehood the journey is long and difficult for some men this is a celebrated opportunity for unshackling unhealthy image of maleness and for other men this is a terrifying prospect and is met with resistance the author sees this journey as needed for reshaping the psyche and heart of the 20th century male the book offers an insight and analysis of male upbringing in modern society loaded with exercises activities vignettes and alternatives for men dealing with the transition they find themselves in this book is intended to be a definitive step toward raising men s consciousness

published in the 1870s this account of mormon families and their homes offers historical insight into mormonism and life in the fledgling communities of the era presented as a kind of travelogue through the states of arizona and utah this book recounts the appearance and status of various settlements founded or occupied by adherents of the latter day saint movement known as mormonism life in these areas was vastly different in the 19th century many families prepared their own

food owning livestock and growing crops near their homes the lands described are vast and picturesque and the people were often hardy and tough in the face of everyday adversities elizabeth wood kane intersperses her observations of the locales with the tenets of mormonism including the tendency of early mormons to practice polygamy snippets of dialogue between the residents of these lands constitute short vignettes of everyday life allowing the reader to picture the existence concerns and daily routines in the villages mormon congregations and meetings whereby residents discuss matters of god as well as local issues are likewise recounted
