if we seek to find true life we need to walk in the ways of god s kingdom we need to seek the kingdom above all else we can only walk in the manifested reality and glory of the kingdom once we walk by spirit implying surrendering first our kingdom laying down our crown and denying the self if we seek his kingdom then our kingdom our ways agendas ideas needs to be surrendered what we believe to be truth to be the right way or the correct path needs to be surrendered as we seek the true way of the lord which is the way of the kingdom jesus said he is the way truth and life meaning he is the way of the kingdom and if we seek the kingdom then we need to follow the lord jesus in spirit and truth for then we shall walk in god s order and his will we are called by jesus to walk the narrow road to deny the self to take up the cross and to love the lord above all there is no other way except in jesus for sustained life in spirit soul and body not the way of money not the way of status or power we need to know and discern the ways of the lord and to follow his path which leads to quiet rivers and green pastures in god there is hope joy and love as we follow him we follow the way to spiritual peace belonging and restoration

history of animals by aristotle translated by d arcy wentworth thompson book i 1 of the parts of animals some are simple to wit all such as divide into parts uniform with themselves as flesh into flesh others are composite such as divide into parts not uniform with themselves as for instance the hand does not divide into hands nor the face into faces and of such as these some are called not parts merely but limbs or members such are those parts that while entire in themselves have within themselves other diverse parts as for instance the head foot hand the arm as a whole the chest for these are all in themselves entire parts and there are other diverse parts belonging to them all those parts that do not subdivide into parts uniform with themselves are composed of parts that do so subdivide for instance hand is composed of flesh sinews and bones of animals some resemble one another in all their parts while others have parts wherein they differ sometimes the parts are identical in form or species as for instance one man s nose or eye resembles another man s nose or eye flesh flesh and bone bone and in like manner with a horse and with all other animals which we reckon to be of one and the same species for as the whole is to the whole so each to each are the parts severally in

other cases the parts are identical save only for a difference in the way of excess or defect as is the case in such animals as are of one and the same genus by genus i mean for instance bird or fish for each of these is subject to difference in respect of its genus and there are many species of fishes and of birds
