young adult literature from the outsiders to harry potter has helped shape the cultural landscape for adolescents perhaps more than any other form of consumable media in the twentieth and twenty first century with the rise of mega blockbuster films based on these books in recent years the young adult genre is being co opted by curious adult readers and by hollywood producers however while the genre may be getting more readers than ever before young adult literature remains exclusionary and problematic few titles feature historically marginalized individuals the books present heteronormative perspectives and gender stereotypes continue to persist taking a critical approach young adult literature challenging genres offers educators youth librarians and students a set of strategies for unpacking challenging and transforming the assumptions of some of the genre s most popular titles pushing the genre forward antero garcia builds on his experiences as a former high school teacher to offer strategies for integrating young adult literature in a contemporary critical pedagogy through the use of participatory media

soon to be a major motion picture the trials are over wicked have collected all the information they can now it s up to the gladers to complete the blueprint for the cure to the flare with a final voluntary test but something has happened that no one at wicked has foreseen thomas has remembered more than they think and he knows wicked can t be trusted the time for lies is over but the truth is more dangerous than anyone could have imagined with the gladers divided can they all make it

teaching with dystopian text propounds an exchange of spatial to pedagogical practices centered around orwellian spaces signaling a new utility for teaching with dystopian texts in secondary education the volume details the urgency of dystopian texts for secondary students providing theoretical frameworks classroom examples and practical research the function of dystopian texts such as george orwell s 1984 as social and political critique is demonstrated as central to their power teaching with dystopian text exploring orwellian spaces for student empowerment and resilience makes a case that dystopian texts can be instrumental in the transfer of spatial practices to pedagogical practices pedagogical application creates links between the text and the student through defamiliarization connecting the student to practices of resistance in the space of the classroom the volume also addresses the challenges of teaching dystopian text in a dystopian educational climate including the covid 19 lockdown in addition to appealing to scholars and researchers of literacy education language education and dystopian text this book will also be a powerful yet accessible resource for secondary teachers as they address dystopian concerns with students in the complicated twenty first century
