Leo Strauss's political philosophy of Hobbes deservedly ranks among his most widely acclaimed works. In it, Strauss argues that the basis for Hobbes's natural and political science is his interest in self-knowledge of man as he really is. The writings collected in this book, each written prior to that classic volume, complement that account. Thus, at long last, this book allows us to have a complete picture of Strauss's interpretation of Hobbes, the thinker pivotal to the fundamental theme of his life's work: the conflicting demands of philosophy and revelation, or as he termed it, the theologico-political problem. It is no exaggeration to say that Strauss's work on Hobbes's critique of religion is essential to his analysis of Hobbes's political philosophy, and vice versa. This volume will spark new interest in Hobbes's explication of the Bible and in his understanding of religion by revealing previously neglected dimensions and motives of Hobbes's theology. At the same time, scholars interested in the intellectual development of Leo Strauss will find in these writings the missing link, as it were, between his two early books, *Spinoza's Critique of Religion* and *The Political Philosophy of Hobbes*. In addition, this volume makes available for the first time in English a letter, a book outline, an extended review, an engagement with legal positivism, and an account of Strauss's work on Hobbes by Heinrich Meier, all of which shed light on Strauss's concerns and his approach to Hobbes in particular, as well as to modern political thought and life.

In his epic adventures in the alternative twentieth centuries, Chrononaut Oswald Bastable, member of the League of Temporal Adventurers, has crossed and re-crossed many different time streams. Some of his previous experiences have been told in *The Land Leviathan* and *The Warlord of the Air*. Now, in what may be the last communication from him, he tells of a world in which the Bolshevik Revolution never happened. The steel tsar finds him travelling backwards in time from a shell-shocked Singapore to a Russian empire seething with conflict and preyed on by motley bands of rogues and adventurers. Here he meets up with fellow time traveler Miss Una Persson, and together they change the course of a history whose legendary deeds exceed the bounds of everyday imagination and glitter in the exuberant land of the eternal present.

The CSB Disciple's Study Bible guides an individual's journey in following Jesus by featuring discipleship-themed study notes as well as tools and resources that equip Christians to disciple others. This CSB Study Bible includes the Foundations 260 Reading Plan featuring 260 concise daily readings with commentary from Pastor Robby Gallaty and ample page space to engage the text and journal via the H.E.A.R. journaling method.
