in the law of vibration tony plummer presents a new theory which he argues is revealing of a fundamental truth about the deep structure of the universe the law is embodied in a very specific pattern of oscillation that accompanies change and evolution it can be found in fluctuations in stock markets and in economic activity the research here suggests that the pattern was known about in antiquity because it was buried in a short passage in st matthew s gospel in the bible it also suggests that it was known about in the early part of the 20th century because it was concealed in the structure of books written by the renowned stock market trader william d gann and by the mindfulness exponent george gurdjieff both men chose to preserve their knowledge of the pattern in a hidden form for some unknown future purpose now after 20 years of investigation tony plummer tells the story of how the pattern was originally hidden

drawing on painstaking research on gematria the enneagram and financial market analysis plumber reveals the existence of a behavioural pattern that may have profound implications for the way that we view the world plumber s work is elegantly structured and illustrated throughout it is an exciting and thought provoking study for gann enthusiasts and also for investors economists and scientists who have an interest in the laws that underpin systemic coherence and produce collective order

science caught up with the psychic readings of edgar cayce when it proved that all of materiality consisting of atoms and therefore protons neutrons and electrons is energy in motion everything is a vibration even the body s five senses operate through the use of vibrations the cayce readings suggested that vibrations were also associated with healing consciousness and even locations in fact the cayce information presents the premise that all of life in every dimension is actually just different manifestations of the one force the force that moved all of creation into being therefore all vibration is ultimately that one force manifesting in the material world in a variety of ways todeschi s latest title explores how everything from consciousness to the material is connected to vibration and how we continue to create and shape our world through the vibrations all around us vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living

a handbook for spiritual growth in 1970 charles hapgood asked elwood babbitt a full trance medium to contact the hindu deity vishnu at that time he believed that vishnu was one of the hindu trinity of brahma vishnu and siva which corresponded in ancient philosophy to the earth s seasons of spring summer and fall when this request was made of elwood babbitt s chief assistant in spirit dr frederick fischer fischer said hapgood was asking for the all in all hapgood found on investigation that the highest thought of india was indeed monotheistic that vishnu was accepted as the one the universal spirit of which brahma and siva were aspects fischer said that bringing in the total force of the universe to express through the body of a medium had never been done before but he thought it could be done and he accomplished it but not without mortal danger to the medium exposed to too great an energy babbitt became very ill and for several weeks it seemed he was unlikely to survive fischer however managed to moderate the vibrational force so that the transmissions could continue hapgood interrogated vishnu attempting to cover as wide an area as possible to answer questions in the minds of people tape recordings were made and these will be available to the public in due course after the recordings were transcribed hapgood edited the texts to clarify any expressions that were confused owing to minor distortions of language because of distortions of the vibrations coming through babbitt s brain the result is a comprehensive and clear work avoiding technicalities of philosophy or dogma and concentrating on the problem of assisting all those who wish to devote themselves to the path of spiritual growth

heavenly dictation the book that listens back what if revelation never ended it simply changed its language heavenly dictation is a luminous exploration of how heaven continues to speak through human consciousness through prophets poets scientists and the silent alike moving from mysticism to psychology from divine dictation to creative genius it traces the secret history of revelation and its return in our own time each chapter reads like scripture written for the modern mind clear eloquent and fearless in its inquiry from the golden corridors of daoist heavens to the quiet rooms of twentieth century revelation it

unveils a single continuous truth that the dialogue between heaven and earth never ceased humanity simply forgot how to listen across fifteen visionary chapters this book maps the evolution of revelation itself the bureaucracy of heaven how ancient sages imagined cosmic order as divine administration the descent of documents the lineage of texts claimed to be dictated by heaven a course in miracles revelation rewritten in the language of psychology and forgiveness the urantia experiment the modern attempt to rationalize the ineffable through cosmic narrative the science of dictation where neuroscience meets mysticism showing how the divine moves through brain breath and hand how heaven writes through humans the art of becoming transparent enough for the sacred to move without distortion the ethics of revelation the conscience of the mystic and the moral law of inspiration heaven's words in disguise genius as heaven's unrecognized voice in art science and beauty the last dictation silence as the final and purest revelation this is not a book of belief it is a book of recognition a mirror for those who have felt something greater speaking quietly through their own thoughts art or intuition written in prose that breathes like meditation heavenly dictation bridges theology daoist philosophy neuroscience and poetry it reads as both history and transmission analytical yet transcendent intimate yet cosmic when the final page turns there is no ending only stillness the reader is left not with doctrine but with silence itself the last and eternal dictation a book for mystics philosophers seekers and creators for all who have ever wondered whether their thoughts were entirely their own
