larry townsend s first handbook was an immediate cult classic upon its release in 1972 its publication was the first step to bringing gay leathersex out into the open presented here in a completely revised and updated edition this is still the most authoritative work in the field and is sought after by beginner and advanced practitioners alike

epub reprint of the leatherman s handbook by larry townsend

following the phenomenal success of the original leatherman s handbook this sequel was written from a new perspective a decade later the leather sm community has matured over the intervening years as has the author some attitudes have changed and some of the more popular pleasures have evolved into different forms this new book addresses these changes explains them and provides the first ever statistical survey of the scene

when helen gurley brown s sex and the single girl hit bookstores in 1962 the sexual revolution was launched and there was no turning back soon came the pill the end of censorship the advent of feminism and the rise of commercial pornography our daily lives changed in an unprecedented time of sexual openness and experimentation make love not war is the first serious treatment of the complicated events ideas and personalities that drove the sexual revolution forward based on first hand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful fifties to the first tremors of rebellion in the early sixties to the heady heyday of the revolution bringing a fresh perspective to the turbulence of these decades david allyn argues that the sexual revolutionaries of the 60s and 70s by telling the truth about their own histories and desires forced all americans to re examine the very meaning of freedom written with a historian s attention to nuance and a novelist s narrative drive make love not war is a provocative vivid and thoughtful account of one of the most captivating episodes in american history also includes an 8 page insert

in an unprecedented analytic examination of the daily lives of gay men respected and confrontational essayist daniel harris investigates the artifacts rituals and institutions of gay culture focusing on a central historical question what happens to a sensibility that was developed in response to ostracism when that subculture becomes less excluded 30 photos

citizens nonprofit organizations and local public officials in increasing numbers are using the arts and culture as vehicles to improve their downtowns as well as to enhance general economic conditions within their communities public officials especially are learning that they can plant the seeds of urban renewal and at the same time promote their city s culture and arts this not only renews their neighborhoods and downtowns but also attracts tourists and private investment a new eclectic economic development model has evolved and is beginning to work in a number of politically economically racially and culturally diverse communities throughout america from atlanta and reno to philadelphia and seattle this work includes numerous case studies that demonstrate the ways in which cities and towns are now using the arts to stimulate both downtown and neighborhood revitalization the future of the arts in cities is also examined five appendices are included as well cities with arts

cultural and or entertainment districts in the united states regional resource directory national resource directory national directory of state art agencies and national directory of regional arts organizations
