this book explores the meteoric rise sudden fall and legendary resurgence of this influential writer s reputation in the years leading up to his two year imprisonment wilde stood among the foremost dramatists in london but after he was sent down for committing acts of gross indecency it seemed likely that social embarrassment would inflict irreparable damage to his legacy he died in comparative obscurity little could he have realized that in five years his name would come back into popular circulation thanks to the success of richard strauss s opera salomé and robert ross s edition of de profundis with each succeeding decade the twentieth century continued to honor wilde s name by keeping his plays in repertory producing dramas about his life adapting his works for film and devising countless biographical and critical studies of his writings

the practical instruction and zesty style of this book give camera enthusiasts excellent guidance for producing great nature and wildlife

photos
