david boaz presents the essential guidebook to the libertarian perspective detailing its roots its central tenets its solutions to contemporary policy dilemmas and its future in american politics this book contains everything the independent thinker of the 21st century needs in order to understand the intellectual revolution sweeping america

the first collection of seminal writings on a movement that is rapidly changing the face of american politics the libertarian reader links some of the most fertile minds of our time to a centuries old commitment to freedom self determination and opposition to intrusive government a movement that today counts among its supporters steve forbes nat hentoff and p j o rourke libertarianism joins a

continuous thread of political reason running throughout history in the libertarian reader david boaz has gathered the writers and works that represent the building blocks of libertarianism these individuals have spoken out for the basic freedoms that have made possible the flowering of spiritual moral and economic life for all independent thinkers this unique sourcebook will stand as a classic reference for years to come and a reminder that libertarianism is one of our oldest and most venerable american traditions

a comprehensive guide to the history and philosophy of libertarianism this updated edition delves into the principles of libertarianism exploring its roots and its development over time it offers a rich collection of ideas that present a compelling case for individual liberty and mutual cooperation challenging the notion of top down governmental control the book advocates instead for a society built on freedom and individual rights it is a call to action for those who believe in the sovereignty and fundamental dignity of the individual and the importance of political freedom
