we spend a lot of time in determining our individual purposes i e our callings for being here on earth some of us were called created to be singers dancers preachers teachers helpers exhorters prophets and so on this is fine but this book goes beyond our individual purpose calling and delves deeply into our racial

group's purpose calling that is this book shows you the nuts and bolts of your racial group's purpose here on earth each racial group on the face of the earth was created to fulfill a divine purpose thus we need to know our racial group's purpose so that we can serve god completely moreover mixed children of color from interracial marriages are special to god for they have a special purpose to fulfill on earth and in heaven that said this book shows why god created racial groups with different skin tones nose sizes lip shapes and hair textures you'll be amazed to see how pivotal cherubim god's special angels are in determining our racial group's purpose god patterned their behavior after man's expected behavior so this book studies their behavior patterns in detail to see what our racial groups are supposed to do that said for centuries racial groups have been bickering and clawing at one another but once we become aware of and start following our racial group's purpose as shown in this book our racial problems will be solved i.e. they'll go away in this book you'll enjoy to the fullest extent the ingenious purpose for which god created you and your racial group and the amazing treasures and benefits that he has in store for you and your racial group

a group of men rape an intoxicated fifteen year old girl to make a woman of her an immigrant woman is raped after accepting a ride from a stranger a young mother is accosted after a neighbor escorts her home in another case a college frat party is the scene of the crime although these incidents appear similar to accounts one can read in the newspapers almost any day in the united states only the last one occurred in this century each however involved a woman or girl compelled to have sex against her will sex without consent explores the experience prosecution and meaning of rape in american history from the time of the early contact between europeans and native americans to the present by exploring what rape meant in particular times and places in american history from interracial encounters due to colonization and slavery to rape on contemporary college campuses the contributors add to our understanding of crime and punishment as well as to gender relations gender roles and sexual politics

in evolutionary rhetoric scholar wendy hayden provides a comprehensive examination of the relationship between scientific and feminist rhetorics in free love feminism studying the movement from its inception in the 1850s to its dark turn toward eugenics in the early 1900s hayden organizes her provocative study by scientific discipline evolution physiology bacteriology embryology and heredity each chapter explores how free love feminists adopted the evidence of that discipline in their arguments for increased sex education women's sexual rights reproductive freedom and the abolition of a marriage system that repressed the rights and the sexuality of women hayden takes our conventional understanding of the relationship between nineteenth century feminism and science and expands it the author provides examples of the powerful words of free love feminists to show exactly how these exceptional women used science as a rhetorical platform to promote feminist and often radical social reforms considering why the free love movement has not yet been studied hayden also discusses how the recovery of this movement may impact larger goals in the recovery of women's rhetoric this important and timely study of a long forgotten movement adds to our understanding of the complexities of the history of feminism
