first published in 2004 routledge is an imprint of taylor francis an informa company

the broadest and most comprehensive collection of writings available by an early civil and women s rights pioneer seventy one years before rosa parks s courageous act of resistance police dragged a young black journalist named ida b wells off a train for refusing to give up her seat the experience shaped wells s career and when hate crimes touched her life personally she mounted what was to become her life s work an anti lynching crusade that captured international attention this volume covers the entire scope of wells s remarkable career collecting her early writings articles exposing the horrors of lynching essays from her travels abroad and her later journalism the light of truth is both an invaluable resource for study and a testament to wells s long career as a civil rights activist for more than seventy years penguin has been the leading publisher of classic literature in the english speaking world with more than 1 700 titles penguin classics represents a global bookshelf of the best works throughout history and across genres and disciplines readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

grounded in the rich history of chicago politics for the freedom of her race tells a wide ranging story about black women s involvement in southern midwestern and national politics examining the oppressive decades between the end of

reconstruction in 1877 and the election of franklin delano roosevelt in 1932 a period that is often described as the nadir of black life in america lisa materson shows that as african american women migrated beyond the reach of southern white supremacists they became active voters canvassers suffragists campaigners and lobbyists mobilizing to gain a voice in national party politics and elect representatives who would push for the enforcement of the reconstruction amendments in the south

born into slavery in holly springs mississippi in 1862 ida b wells emerged in the late nineteenth and early twentieth centuries as a singularly dynamic national voice on behalf of racial social and gender equity a journalist teacher and activist she campaigned endlessly against racial violence and inequity and on behalf of women s rights and suffrage in radical advocate mary e triece pinpoints the persuasive strategies that typified wells s efforts to shape broader cultural conversations concerning those causes triece highlights especially wells s role as a radical embodied advocate who triece defines as one who occupies a marginalized social position whose daily experiences physical well being and mobility are shaped by social justice issues and who must utilize non traditional rhetorical strategies to push for deeply rooted social change embodiment suggests bodily visibility and seeing the physical body as marked in ways that carry political and physical implications based on race sex gender and class in the context of the early 1900s racial segregation and hysteria over race mixing impacted bodies in every aspect of one s public and personal life from where one lived and worked to whom and how one loved to demonstrate the ways radical embodied advocacy occurs across various platforms triece examines wells s speeches pamphlets and newspaper and magazine articles for wells white violence was palpable and personal experienced on her body and carried in her mind and heart white men lynched wells s friends threatened her life and forced her into exile after they destroyed the press for which she wrote and edited from this perspective wells understood lynching as linked to white

economic and political control furthermore triece presents wells s radical embodied advocacy as one of the first forms of intersectional journalism a type of citizen journalism wherein the advocate raises up and centers the voices of those experiencing interlocking forms of oppression triece underscores the epistemic challenges faced by rhetors such as black women who speak from marginalized social positions and who advance claims that do not align with culturally accepted frames for knowing and describing events people and places she also bridges philosophy rhetoric and black feminism to examine the epistemological and rhetorical demands facing social change advocates who shed light on injustice and who simultaneously face deeply entrenched narratives that distort understandings of race and social injustice wells argued for deep rooted change and her rhetoric stands out because she framed white violence as systemic and intersectional in the twenty first century radical advocate is even more relevant in the context of contemporary white violence and international movements for racial justice a rhetorical analysis of wells s speaking and journalism shows her to be one of the first to emphasize the systemic nature of racism while highlighting the unique ways black women experienced racist and sexist oppression

how is race defined and perceived in america today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago this four volume set is the definitive source for every topic related to race in the united states in the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape racism has played a role in american society since the founding of the nation in spite of the words all men are created equal within the declaration of independence this set is the largest and most complete of its kind covering every facet of race relations in the united states while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning the work serves

as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars the entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts information is presented to interest and appeal to readers but also to support critical inquiry and understanding a fourth volume of related primary documents supplies additional reading and resources for research

a classic of investigative journalism the pamphlets of ida b wells barnett shine a light on the evils of racism in the united states with a contextual introduction and useful footnotes this book gives students an opportunity to analyze and interpret primary texts the book includes the full text of southern horrors lynch law in all its phases the red record tabulated statistics and alleged causes of lynching in the united states and mob rule in new orleans robert charles and his fight to death the story of his life burning human beings alive and other lynching statistics

traces the life and career of the african american journalist and social activist who spoke out against the lynching of blacks in the south

here in a single volume is a sweeping panorama of black women s experience throughout history and across classes and continents the book is divided into six sections theory africa the caribbean and canada 18th century united states 19th century united states and 20th century united states a remarkably diverse range of topics is covered with chapters on subjects such as working class consciousness among afro american women the impact of slavery on family structure black women missionaries in south africa slavery sharecropping and sexual inequality black women during the american revolution imprisoned black women in the american west women s welfare activism sncc and black women s activism and property owning free african american women in the 19th century

south containing over 30 crucial essays by the most influential and prominent scholars in the field including evelyn brooks higinbotham linda gordon and nell irvin painter we specialize in the wholly impossible is a comprehensive assessment of black women s lives book jacket title summary field provided by blackwell north america inc all rights reserved

ida b wells barnett faced two great social barriers in her crusade to end the rampant practice of lynching african americans she was black and she was a woman born during the civil war she was well spoken and outspoken and often risked her own safety when pointing out the misdeeds of others however she focused attention on the unjust horrors committed in the south and changed many hearts her tireless work earned her the title of mother of the civil rights movement

women and power in american history provides a coherent group of readings related to the unifying theme of power in women s lives over time a greater understanding of how power inequalities are organized along gender lines can help us work toward a more egalitarian and just society because the work of the women s movement is far from complete the need for a fuller historical understanding of how women s lives have changed over time remains great this anthology brings together carefully selected cutting edge readings in u s women s history organized around issues related to gender and power in american society the twenty seven individual essays provide students with unifying themes that promote their understanding of women s history and changing gender relations both co authors are highly visible in the field of women s history

this selection of source documents and analytical essays focuses on those issues in women s history about which there is substantial disagreement and discussion among historians topics include the status of white women in colonial america family lives of enslaved women the many varieties of feminism in the

19th and 20th centuries and campaigns for suffrage and social reform isbn 0 669 14470 8 pbk 14 00

this first class collection of historical essays revises and rejects the view that american women after suffrage rejected feminism and sank into political apathy and unconsciousness rather the authors point out the limitations of the view of suffrage as either solving all women s problems or as a disappointment and failure for the women s movement the problems and choices facing women in these decades emerge in part from the very diversity of women s experiences and interests portrayed to such effect in the rest of this volume

this anthology brings together carefully selected cutting edge articles in u s women s history organized around issues related to gender and power in american society the thirty eight individual essays provide students with unifying themes that promote their understanding of women s history and changing gender relations both co authors are highly visible in the field of women s history

examines african american contributions both historical and contemporary to criminological thought

provides alphabetically arranged entries on people and events important to the civil rights struggle including organizations books concepts court cases and concepts

studies lynching in mississippi from the civil war through the civil rights movement arranged chronologically it examines how lynching unfolded in the state and assesses the large number of deaths reasons the distribution by counties cities and rural locations and public responses covers lynching s legacy in the decades since 1965 and an appendix offers a chronology provided by publisher

provides over 800 entries on people and events important to the civil rights struggle and cites court cases which show a progression of civil rights
