courage of the little hummingbird is a freshly retold animal fable about heroism hope and

community from award winning creators Leah Henderson and Magaly Morales across oceans, lands and skies in whispers, shouts and in many different languages the story of the little hummingbird of the great forest can always be heard. The story of the little hummingbird has been told around the world in many forms and across many cultures and is believed to have originated among the indigenous Quecha people of modern day Ecuador. In this picture book spin on the globally popular legend when a disastrous forest fire threatens the great forest the hummingbird must inspire all the animals to work together to save their homes. Lyrically told by Leah Henderson and vividly illustrated by Magaly Morales, this tale of bravery against seemingly insurmountable odds and a community working together to overcome adversity is a reminder that no challenge is too great and that even the smallest of us can make a world of difference. Includes an author's note as well as information on the origins of the folktale and facts about hummingbirds.

From pen and paper to manual typewriters to computers for emailing, who would have thought we would be texting in a world advanced in technology? And preschoolers know how to use cell phones, iPhones, computers and more. The birds are not falling behind either. Oh no, not these little hummingbirds. They're keeping up and with Momma's help.

A retelling of an ancient Quechuan fable follows the hummingbird as she makes a valiant effort to put out the fire threatening her forest home, teaching her woodland companions that doing something is better than doing nothing at all.

A hummingbird's tale is a story written to teach kids about the different seasons and changes that come with it. Shy chooses hummingbirds as the characters for her story as it's her grandmothers and mother-in-laws' favorite birds, sharing so many good memories and feelings into one book. In hopes that the readers could capture the same feelings, Shy has a loving family of 4: older brother, 2 adopted, a younger sister, 13 nieces and nephews, 2 step-kids with the hopes of having a big family of her own and her fur baby, Gabriel. Written by Deanna Redford of Red Deer, Alberta.

presents a series of learning units centered around gardens designing them gardening advice and activities songs and games for extended learning

this book contains poems about faith and character that are fictional humorous and inspirational book intended to brighten ones day and remind us why we are all gods children these are various accounts of my childhood and how i came to know about the lord every poem in the collection i hope will both bless and inspires all who read them i tried to tell a little story with each ode and show my christian faith paying tribute to my home state there are a few other states with poems specifically for them i hope to encourage those who have a dream yet ot come true to keep looking up and dream big ray to god and if it is his will you too will accomplish your dreams with hard work faith and determination

sometimes everyone is afraid of something you don t have to be big to be brave if you face what you are afraid of even the smallest of creatures can become the bravest one of all

teeny proves that it is not the size of someone that makes them brave but trusting in himself and facing his fears is what makes him brave

this book explores contemporary debates on decolonisation and indigenisation of social work in africa and provides readers with alternative models values and epistemologies for reimagining social work practice and education that can be applicable to a wide range of countries struggling with similar concerns it examines how indigenisation without decolonisation is just tokenistic since it is concerned with adapting modifying western models to fit local contexts or generating local models to integrate into the already predominantly contextually irrelevant and culturally inappropriate mainstream western social work in africa by exploring decolonisation which calls for dismantling colonialism and colonial thinking to create central space for indigenous social work as mainstream social work especially in africa it goes beyond tokenistic decolonisation to articulate some of the indigenous social work practice and social policy models values ethics and oral epistemologies that should take centre stage as locally relevant and culturally appropriate social work in africa it also addresses the question of decolonising research methodologies highlighting some of the methods embedded in african indigenous perspectives for adoption when researching african social work the book has been written with both the coloniser colonised in mind and it will be of interest to all social work academics students and practitioners and others interested in gaining insights into how colonisation persists in social work and why it is necessary to find ways to disrupt it

baby hummingbird once lived in a little cramped and dark egg after hatching he moved into a tiny nest now he wants to explore the vast huge world outside of the nest should he follow his natural curiosity or listen to his wise mother find out which path baby hummingbird takes in this delightful story enjoyed by hundreds of elementary students for the past forty years

no descriptive material is available for this title
