god s amazing grace reconciling four centuries of african american marriages and families is an insightful study that will be welcomed by thoughtful practitioners and all

just as u s soldiers and diplomats pulled out of afghanistan supposedly concluding their role and responsibility in the two decade conflict the country fell to the taliban in the long war award winning bbc foreign correspondent david loyn uncovers the political and military strategies and failures that prolonged america s longest war three american presidents tried to defeat the taliban sending 150 000 international troops at the war s peak with a trillion dollar price tag but early policy mistakes that allowed osama bin laden to escape made the task far more difficult deceived by easy victories they backed ruthless corrupt local allies and misspent aid the story of the long war is told by the

generals who led it through the hardest years of combat as surges of international troops tried to turn the tide generals which include david petraeus stanley mcchrystal joe dunford and john allen were tested in battle as never before with the reputation of a warrior monk mcchrystal was considered one of the most gifted military leaders of his generation he was one of two generals to be fired in this most public of commands holding together the coalition of countries who joined america s fight in afghanistan was just one part of the multi dimensional puzzle faced by the generals as they fought an elusive and determined enemy while responsible for thousands of young american and allied lives the long war goes behind the scenes of their command and of the afghan government the fourth president to take on the war joe Biden ordered troops to withdraw in 2021 twenty years after 9 11 just as the taliban achieved victory leaving behind an unstable nation and an unforeseeable future

in recent history men from a variety of backgrounds have come to the same conclusion that the bible is about israel only for example in 1861 john mason neale translated an ancient twelfth century latin hymn and its title was o come o come emmanuel ever since 1861 christians have sung that hymn at christmas time especially at advent do you know what the words really mean that you are singing in 1878 edward hine wrote an article titled seven eighths of the bible misunderstood wherein he explains that seven eighths of the bible is about national salvation i e the national salvation of true israel whereas only one eighth of the bible is about personal salvation did you know that in the 1960 s pastor sheldon emery wrote an article titled an open letter to any minister who teaches the jews are israel wherein he is of the opinion that the israel that exists today since 1948 is not the true israel of the bible in 1998 arnold e kennedy wrote a book titled the exclusiveness of israel wherein he legally proves using the king james version of the

bible that the bible in general is only about true israel so here we are in the twenty first century and the gospel that is preached today is totally convoluted from that which was preached in the first century and by yahshuah and his disciples i.e. the gospel of the kingdom so where did the so called churches and pastors go wrong by the way is there really a hierarchy in the bible in order to find out what the truth really is we have to look at the original languages in which the bible was written and then translated for example the old testament was written in hebrew and aramaic then translated into greek the new testament was written in hebrew and greek both testaments were put together and translated into latin then german and finally into english from which the entire world received their own translation of the bible so what was the original meaning of the words used in the original languages i.e. the etymology of the words once that is determined then we can go onto the next phase and discuss types in the bible from there what is the law of first mention how should bible prophecy be interpreted who are the keys to bible prophecy where are we in the bible prophecy timeline during these discussions we will find out who yahweh chose of all the families of the earth to make his own the churches teach universalism the question then becomes who was yahweh's law given to what are the laws of yahweh and then the even bigger question becomes who was yahshuah sent to all of these questions and more will be answered as you read this book
