Dr. A. A. Torrey was an American evangelist, a Bible scholar, and successor to D. L. Moody. A graduate of Yale, he was ordained to the ministry in 1878. In the opening chapter, Torrey describes the purpose of his book: we begin herewith a series of studies of the person and work of the Holy Spirit. We shall begin this series by considering what the Bible has to say about the Holy Spirit as a person. It is impossible to rightly understand the work of the Holy Spirit or to get into right relation with the Holy Spirit himself and thus know his blessed work in our own souls without first coming to know the Holy Spirit as a person. One of the most fruitful sources of error and misconception of unwholesome enthusiasm and false fire and fanaticism in the treatment of this whole subject is from trying to know the work of the Holy Spirit before we first come to know the Holy Spirit himself.

Dr. A. A. Torrey's books have probably helped more people understand the Bible and have led more souls to Christ than the writings of anyone since the apostle Paul. Not only was Torrey a great Bible teacher and preacher, he was also filled with the Holy Spirit. He lived what he preached in his worldwide revival crusades. Torrey presented

What are the gifts of the Spirit, and how can I receive them? What's the role of the Holy Spirit in the life of the church? Written from a distinctly charismatic perspective, this book will both inform you and inspire you. The author's balanced approach, with his insistence that our experience of the Spirit must be understood and evaluated in the light of biblical revelation, gives the reader confidence that the writer is familiar with the Holy Spirit's work not only from his study of the Word of God but also from personal experience.
