when it first appeared in 1987 the title story of this collection of stories by nguyen huy thiep caused a sensation in vietnam not since the communist revolution had readers found as stark and compelling a view of their world as the general retires offered them written in spare succinct prose it captures the despair of an old general who after many years of devoted service to his country is alienated by the emptiness of the society into which he retires and ultimately flees nguyen probes similar themes in the stories that follow from cun the moving tale of a crippled beggar to a drop of blood a dark history of a family set against decades of war and revolution with eight powerfully written stories all available in english for the first time and including an introduction by greg lockhart that traces the varied traditions of vietnamese literature to the present day this collection offers unprecedented insight into a society trying to overcome and understand years of pain and civil strife

new scholarship on katherine mansfield s the garden party and other stories together with creative work inspired by mansfieldthe last collection of short stories published in her lifetime the garden party and other stories would solidify katherine mansfield s place as the most prominent modernist short story writer of her generation early reviewers of the collection commented on the similarities it shared with her previous collection bliss and other stories however while contemporary reviews were mixed many emphasised the psychological power of her stories praising how she was able to bring her characters to life in a way simple action could not while it contains some of mansfield s most sophisticated and well loved stories several of the stories in the garden party initially appeared in the sphere and thus were often dismissed as inferior

Mansfield herself felt some of these stories fell short of her desired effect though recent scholarship has revealed their greater complexity the essays in this volume by both seasoned and newer Mansfield scholars work to continue this conversation the collection also includes Mansfield inspired short fiction two translations of memorial poems dedicated to Mansfield by Chinese and French contemporaries with accompanying notes and a recently re-discovered book review by Mansfield in addition Sydney Janet Kaplan provides a reflection on her personal meeting with Christopher Isherwood a writer heavily influenced by the life and work of Mansfield
