this book discusses the supernatural in scripture including the scope and significance of events and embodiments

john laidlaw offers a comprehensive study of the miracles performed by jesus as recorded in the bible laidlaw examines the historical and cultural context of each miracle providing valuable insight into the meaning and significance of these events this book is a must read for anyone seeking to deepen their understanding of jesus and his teachings this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

richard ascough presents and interprets 27 miracles performed by jesus during his public ministry each miracle selected is both a demonstration of and a challenge to faith all four of the gospels present jesus as a miracle worker the stories show that jesus preached the in breaking of god s kingdom while demonstrating its arrival through mighty works together the miracles reveal jesus concern for all people there are no ethnic social or gender barriers to god s care this book seeks to understand jesus miracles in their social and literary contexts in order to see how these miracles demonstrate god s concern for the whole person not only in antiquity but also in our own lives today while jesus healed people he did not heal everyone sickness disease and death are still prevalent at least while we await the full manifestation of god s

kingdom on earth writes ascough in the opening chapter however whenever relationships are restored faith is strengthened when people recover from illness we see signs of god s restoration and involvement in our lives seen from the perspective of faith god can be understood to be working in extraordinary ways in each of our lives such miracles are signs of god s restoration of order in a disorderly broken world many current popular books on miracles are either anecdotal or refer only peripherally to the biblical texts this book gives serious attention to understanding jesus miracles in their socio cultural context and then brings them into conversation with our own world however while the miracles of jesus draws upon a wealth of biblical scholarship it is presented in a readable and accessible style this is a book for those who want a serious readable account of the details and implications of jesus miracles

we live in a broken and fallen world and it is a world where people need help and often a miracle but today it seems as if miracles have become a part of the past we don't hear of many miracles and more people even some in the christian community have stopped believing expecting or even waiting for a miracle so where are the miracles the miracles of jesus is for anyone who is interested in miracles needs a miracle or knows someone who needs a miracle from the lord author and pastor peter negron shares the inspirational and encouraging testimonies of real people with real miracles including the real miracles of jesus that we can read about in the word of god by showing you how to position yourself for a miracle these testimonies can help you to believe again in the love and mercy of god through his miraculous answers to our prayers miracles are a sign from god and these miraculous signs help people believe in jesus and while some may receive a sudden miracle many others must also make the effort to position themselves in the right place take the right steps and put their faith in god in every case though we must simply trust in god and in his grace and mercy and through prayer we will be in a position of faith both for ourselves and for others in need of a miracle

jesus performs many miracles demonstrating his power over nature and spirits and thus confirming that the kingdom of god is at hand mark 1 15 in a physical miracle such as making the blind see or walking on water or calming a storm the laws of the universe are suspended through divine intervention in a moral miracle such as forgiveness of sins or driving out demons the blessing of jesus purifies the soul in mark 2 1 12 jesus performed a physical miracle healing the paralytic to demonstrate a moral miracle the forgiveness of sins only two miracles appear in all four gospels his own resurrection matthew 28 mark 16 luke 24 and john 20 the greatest miracle of them all and the feeding of the 5000 through the multiplication of the loaves found in matthew 14 13 21 mark 6 30 44 luke 9 10 17 and john 6 1 14 what is

striking is that jesus performs those miracles that referring to isaiah 35 3 6 were signs of the messiah jesus not only heals the leper matthew 8 1 4 luke 5 12 16 but also instructs the leper to show himself to the priest in observance of leviticus 13 14 in the torah he heals a man born blind john 9 and perhaps the most dramatic of all raises lazarus on the fourth day john 11 john the baptist sent his disciples to ask jesus or yeshua are you the one who is to come or should we expect another jesus reassures john by naming the miracles of the messiah the blind receive their sight the lame walk the lepers are cleansed the deaf hear the dead are raised and the poor have good news preached to them matthew 11 3 5 the miracle stories are an integral part of the gospel narrative as in mark where nearly half of mark s account of the public ministry chapters 1 10 describes miracles the ministry of jesus is centered on the establishment of god s imminent kingdom which ended the dominion of the evil one over the world present ever since sin and death entered mankind the miracles were jesus chief weapon in the struggle with evil mark 3 22 27 the most direct being the exorcism of demons which defeated the power of evil and liberated humanity that is why a miracle is an act of power in the synoptic gospels in the greek new testament the synoptic word for miracle is act of power the origin of our english words dynamic and dynamite john in his gospel utilizes the word sign the word wonder is found in the works of the apostles in the book of acts the symbolic element of the miracle becomes primary in john for example in john 9 the interest in giving sight to the man born blind is not just the gift of sight but in his coming to the spiritual insight of faith an insight made possible by jesus the light of the world the gospel of john enumerates seven signs of jesus he turns water into wine at the wedding feast of cana 2 1 12 the healing of an official s son in capernaum 4 43 54 the healing of a paralytic on the sabbath by the pool in bethesda 5 1 47 the feeding of the five thousand 6 1 14 walking on water 6 16 21 the healing of a man born blind 9 1 41 and the resurrection of lazarus 11 1 57 john also records three appearances of christ to his disciples following his resurrection the gospels record twelve miracles in capernaum more than anywhere else in the holy land the third millennium is more receptive to miracles as compared to the skepticism of the post enlightenment case records of inexplicable cures from cancer the healings at lourdes

france and fatima portugal and reports of near death experiences have produced an openness to the miraculous

in this fresh look at the 35 recorded miracles of jesus ryrie shows how the gospels carry the same faith strengthening message for believers today
