this study of radical prophecy in 17th century england explores the significance of gender for religious visionaries between 1650 and 1700 phyllis mack focuses on the society of friends or quakers the largest radical sectarian group active during the english civil war and interregnum the meeting records correspondence almanacs autobiographical and religious writings left by the early quakers enable mack to present a textured portrait of their evolving spirituality parallel sources on men and women provide a unique opportunity to pose theoretical questions about the meaning of gender such as whether a women s spirituality can be identified or whether religious women are more or less emotional than men

focussing on quaker pamphlet literature of the commonwealth and restoration period catie gill seeks to explore and explain women s presence as activists writers and subjects within the early quaker movement women in the seventeenth century quaker community draws on contemporary resources such as prophetic writing prison narratives petitions and deathbed testimonies to produce an account of women s involvement in the shaping of this religious movement the book reveals that far from being of marginal importance women were able to exploit the terms in which quaker identity was constructed to create roles for themselves in public and in print that emphasised their engagement with friends religious and political agenda gill s evidence suggests that women were able to mobilise contemporary notions of femininity when pursuing active roles as prophets martyrs mothers and political activists the book s focus on collective quaker identities which arises from its analysis of multiple authored texts is key to its claims that gender issues have to be considered when analysing the sect s emergent system of values and gill assesses the representation of women in male authored texts in addition to female writers attitudes to agency a bibliography that for the first time lists men and women s involvement as contributors as well as authors to quaker pamphlets provides a valuable resource for scholars of seventeenth century radicalism

you re teaching third grade this year what do you need to know mike anderson gives you practical information about daily routines furniture and much more after a concise review of third graders common developmental characteristics mike explains how to adjust your classroom and your teaching to fit these common characteristics the result students can learn and you can teach with minimum frustration and maximum ease and joy in clear plain writing peppered with classroom stories and examples mike shares practical know how on topics like this arranging a circle desks and tables choosing and storing supplies scheduling a child centered day and teaching daily routines planning special projects and field trips that maximize learning and build community understanding the special concerns of third graders parents and finding the best ways to communicate with them
