navigate the investment community with confidence to build great companies the ceo s guide to the investment galaxy by sarah keohane williamson provides indispensable insights for business leaders navigating the landscape of the global investment community not all shareholders are created equal knowing who your shareholders and the other members of the investment community are and what drives them is key to your success whether you re stepping into a ceo role at an established company or spearheading a promising start up this guide demystifies the diverse members of the investment community you will encounter from pension funds to private equity firms to proxy advisors and provides practical advice to help attract the shareholders who can support you in building a great company williamson draws on her extensive research of and experience with the investment community to deliver actionable strategies for engaging with shareholders and insulating your company from short term pressures the book offers a roadmap to effective communication and capital raising helping you succeed in today s complex business environment and fortify you against future challenges inside the book gain insights into the personalities motivations and strategies of various investor types learn effective communication tactics to manage investor expectations explore practical approaches to aligning your business with long term investment goals the ceo s guide to the investment galaxy is written for ceos board members business leaders and

entrepreneurs looking to deepen their understanding of the investor landscape to fuel long term company performance it s also invaluable for journalists policymakers investors and students aiming to grasp the nuances of modern of corporate finance

new york times and wall street journal bestseller winner of cmi management book of the year 2019 based on an in depth analysis of over 2 600 leaders drawn from a database of more than 17 000 ceos and c suite executives as well 13 000 hours of interviews and two decades of experience advising ceos and executive boards elena l botelho and kim r powell overturn the myths about what it takes to get to the top and succeed their groundbreaking research was the featured cover story in the may june 2017 issue of harvard business review it reveals the common attributes and counterintuitive choices that set apart successful ceos lessons that we can apply to our own careers much of what we hear about who gets to the top and how is wrong those who become chief executives set their sights on the c suite at an early age in fact over 70 percent of the ceos didn t have designs on the corner office until later in their careers you must graduate from an elite college in fact only 7 percent of ceos in the dataset are ivy league graduates and 8 percent didn t graduate from college at all to become a ceo you need a flawless résumé the reality 45 percent of ceo candidates had at least one major career blowup what those who reach the top do share are four key behaviors that anyone can master they are decisive they are reliable delivering what they promised when the promise it without exception they adapt boldly and they engage with stakeholders without shying away from conflict based on this breakthrough study of the most successful people in business botelho and powell offer career advice for everyone who aspires to get ahead based on research insights illustrated by real life stories from ceos and boardrooms they tell us how to fast track our career by deploying the career catapults used by those who get to the top quickly overcome the hidden handicaps to getting the job we want avoid the 5 hazards that most commonly derail those promoted into a new role for everyone who aspires to rise up through the organization and achieve their full potential the ceo next door is an essential guide

the mind of the ceo offers unprecedented access to the most dynamic business leaders of our time reading this book is like being at the world economic forum in davos switzerland not at the formal presentations but in the hotel bar afterward where the microphones are turned off and world famous business leaders say what they really think better still their confidant jeffrey garten interprets what they say telling you how their views relate to each other and the world economy and noting the many important things left unsaid a revealing glimpse into the future of business the mind of the ceo captures as no other book before it what is in the minds of top business leaders and what it means for all of us

in a business era in which executives are taken away in handcuffs and corporate malfeasance and scandal dominates the business headlines there is tremendous value in the stories of ethical companies and spiritual business leaders the ceo and the monk is one such compelling story the story of keyspan the nation s fifth largest energy giant and a profitable fortune 500 company and the two keyspan executives one a former monk whose unique working relationship is based on something as simple and powerful as doing the right thing this isn t yet another prescriptive business guide written by breathless consultants it is a story about a real business and how two unusual and dedicated humanists can keep their eyes on profits and ethics at the same time

claiming his child at any cost a shocking fertility clinic mix up has resulted in luca moretti

fathering a child with a woman he never met there s no way the ceo will walk away from his baby girl but he has thirty days to convince her distractingly beautiful mother to do exactly what he wants widow claire douglas is still reeling from the loss of her husband when she discovers a stranger has fathered her child and that rich bachelor will stop at nothing to gain joint custody how can she possibly fight a man with such money and power and a charm she can t resist

a new look at delivering effective shareholder value from peter kontes a true leader in the world of strategic management in the ceo strategy and shareholder value peter kontes a true leader in the strategic management field outlines the key to creating and growing shareholder value the proper focus contends kontes is in using quantitative measurements as guideposts on the path to success the book first outlines the basics of the argument kontes is making he then briefly covers the five most important areas for business leaders followed by a more detailed look at each of the focus areas finally kontes provides readers with a road map to implementing his suggestions presents an argument for a more holistic approach to delivering shareholder value defines and then elaborates a new approach to strategic management written by a true thought leader in the field regularly featured in publications such as fortune and businessweek never before have business leaders experienced the kind of tough decisions they are being forced to make as the economy undergoes incredibly rapid shifts the common sense guide to successful leadership the ceo strategy and shareholder value delivers exactly the kind of solid dynamic advice that will keep your organization moving on an upward path

the art of the ceo by bart jackson here at last top chief executive officers from across the globe reveal the proven techniques for those shouldering business ultimate leadership challenge those executives taking aim at the big chair will discover the full range of training skills to be cultivated and methods for career enhancement for ceos already walking the command tightrope this book effectively guides them through the crescendo of responsibility detailing success techniques for grooming c suite and board the army of employees and clients and the onto the entire community tis an enjoyable read told concisely clearly with frequent dashes of humor even cartoons paperback 6 x 9 160 pages 16 95

what the ceo wants you to know takes the mystery out of business and shows you the secrets of success have you ever noticed that the business savvy of the world s best ceos seems like a kind of street smarts they sense where the opportunities are and how to take advantage of them and their companies make money consistently year after year how different is it to run a big company than to sell fruit from a cart or run a small shop in a village in essence not very according to ram charan from his childhood in india where he worked in his family s shoe shop to his education at harvard business school and his daily work advising many of the world s best ceos ram understands business as few can the best ceos have a knack for bringing the most complex business down to the fundamentals the same fundamentals that are used to run the family shoe shop and they have business acumen the ability to focus on the basics and make money for the company what the ceo wants you to know captures these insights and explains in clear simple language how to do what great ceos do instinctively and persistently understand the basic building blocks of a business and use them to figure out how your company makes money and operates as a total business decide what to do despite the clutter of day to day business and the complexity of the real world many people spend more than a hundred thousand dollars on an mba without learning to pull these pieces of the puzzle

together many others lack a formal business education and feel shut out from the executive suite what the ceo wants you to know provides you with the universal laws of business success no matter whether you are selling fruit from a stand or running a fortune 500 company

this sharply focused book fills a very important gap in board rooms and the literature on corporate governance william m klepper is a highly skilled researcher ram charan business consultant and best selling author

the first year as the ceo of a company is an authoritative insider s perspective on strategies for succeeding as a ceo in the first year at a new company featuring ceos representing some of the top companies in the nation the book provides best practices for gaining credibility establishing expectations and encouraging a culture of open communication all in the initial twelve months on the job aware that the departing ceo can serve as an invaluable resource to the incoming chief executive the authors describe how to leverage this relationship for optimum results along with the other crucial introductions that must be made proactively the authors explain how to gauge the effectiveness of the current company strategy obtain input from the management team and present a strong vision that new colleagues will embrace the different niches represented and the breadth of perspectives presented enable readers to get inside some of the leading executive minds of today as these insiders offer up their thoughts around the keys to effectively assuming the role of the new ceo

includes summaries of proceedings and addresses of annual meetings of various gas associations l c set includes an index to these proceedings 1884 1902 issued as a supplement to progressive age feb 15 1910

the voting rights act of 1965 which originally was intended to prohibit barriers to black registration and voting has been hailed as a triumph for civil rights and as a catalyst for the election of minorities to public office in both the deep south and the urban north to advance its objective federal courts instructed many cities to change from at large to single member district electoral systems as a way to ensure that minorities had a reasonable chance to elect representatives of their choice in the first book to critique the implementation of this landmark legislation in a major american city ruth morgan examines its effect on local governance over forty years in dallas and shows that it had unintended consequences for racial politics representation and public policy breaking from studies that measure the success of the vra in terms of increased minority representation morgan assesses the consequences of the act for dallas city government and for the wider interests of minorities as well while endorsing the original intent of the vra morgan believes that this intent was subverted by subsequent amendments to the act and by the courts attempts to advance the political standing of particular minority groups she argues that court imposed single member districts have created in dallas a city council infected with parochialism and careerism a result of members no longer having to compromise to win citywide votes and have had an adverse impact on governmental effectiveness and voter turnout with corruption and cronyism now rampant voting rights legislation and litigation have ultimately failed to fulfill the hopes and aspirations of the unempowered and the district system has created an incentive for continued racial separation governance by decree offers a pointed assessment of the complexities and contradictions produced by the voting rights law while at the same time calling for the federal judiciary to exercise restraint in imposing its will when it lacks the

capacity to make choices that are inherently political morgan s powerfully argued case study should inspire much debate and inform forthcoming congressional deliberations over the renewal of the preclearance section of the vra in 2007

a compelling look at the two closely linked and controversial 2003 supreme court decisions that revisited the practice and constitutionality of affirmative action at the college level the result was a divided opinion that neither completely repudiated affirmative action nor completely condoned its practice

a concise survey and analysis of presidential attempts over the last thirty years by democrats and republicans alike to dismantle the regulatory state that first appeared under fdr argues that the war against regulation failed and that its excesses remind us of the value and proper role of regulation in american government
