the oxford anthology of roman literature gathers together critical examples of roman literature from the earliest poets and playwrights to the last writers of roman antiquity vibrant witty and informative this volume provides a welcome introduction to the literature of our ancient past

this anthology of the major writings of ancient rome is unique in that no other equivalent book contains complete texts it covers over 1000 years of historical writing from livy s account of rome s foundation to marcellinus s account of roman defeat

terrific exactly the sort of collection we have long needed one offering a wide range of texts both literary and documentary and that with the inclusion of sulpicia and perpetua allows students to hear the voices of actual women from the ancient world the translations themselves are fluid the inclusion of long extracts allows students to sink their teeth into material in ways not possible with traditional source books the anonymous texts inscriptions and other non literary material topically arranged in the documentary section will enable students to see how the documentary evidence supplements or undermines the views advanced in the literary texts this is a book that should be of great use to anyone teaching a survey of the history of ancient rome or a roman civilization course i look forward to teaching with this book which is i think the best source book i have seen for the way we teach these days david potter university of michigan

offers a broad range of texts spanning six centuries of imperial roman history volume ii of empire of the romans from julius caesar to justinian empire of the romans from julius caesar to justinian six hundred years of peace and war volume ii select anthology is a compendium of texts that trace the main historical changes of the empire over six hundred years from the death of julius caesar to the late middle ages the second volume of empire of the romans from julius caesar to justinian this anthology balances literary texts with other documentary legal and epigraphic sources acclaimed author john matthews presents texts that reflect individual first person experiences rather than those from historians outside of the time periods of which they write each selection includes an introduction annotations on points of interest author commentary and suggestions for further reading excerpts are organized thematically to help readers understand their meaning without requiring an extensive knowledge of context six sections running in parallel to the structure and content to volume i explore the topics such as the building of the empire pax romana the new

empire of diocletian and constantine and barbarian invasions and the fall of the western empire selected texts span a wide array of subjects ranging from political discourse and roman law to firsthand accounts of battle and military service to the civic life and entertainment of ordinary citizens this volume covers a vast chronological and topical range includes introductory essays to each selected text to explain key points present problems of interpretation and guides readers to further literature balances the different categories and languages of original texts enables easy cross reference to volume i minimizes the use of technical language in favor of plain english forms whether used as a freestanding work or as a complement to volume i the select anthology is an ideal resource for students in roman history survey courses as well as interested general readers seeking a wide ranging collection of readings on the subject

at first little more than the power of the sword carried rome forward as it grew it acquired the power of religious and poetic vision these are the spiritual powers which it bequeathed to its heirs the modern nations of the western world

the articles in this second issue of *romantik* journal for the study of romanticisms demonstrate the crucial role of emergent regionalism and nationalism within the romantic movement however the contributors also explore how the transmission of ideas and inspiration took place across national as well as linguistic boundaries and how knowledge was transferred from one domain of knowledge to another the articles provide a new map of such cultural exchanges in the romantic era and the multiplicity of agencies that made them possible *romantik* continues to locate the plurality of european romanticisms within a comprehensive and multilingual context

carefully examining the work of mary di michele this collection of essays presents an in depth analysis of one of the founders of italian canadian literature through poetry that explores humanity with frankness and sensitivity di michele became a dominant voice in canadian literature choosing to chronicle the experiences of ethnic minority women with her own brand of sharp imagery and memorable diction various contributors including nathalie cooke lisa bonato ian williams and richard harrison analyze the full range of her work paying special attention to luminous emergencies and debriefing the rose

*roman letters* offers a rich selection of original translations of ancient roman letters spanning from the 1st century bce to the 2nd century ce chronologically arranged and grouped according to author or collection the letters cover various topics and themes selected from a broad range of authors a unique single volume text that makes classical letters accessible and readable to

undergraduates and the non specialist reader presents a wide range of authors and material with over 200 selected texts includes selections that illustrate a complete cycle of correspondence as well as letters written by the same author and covering the same topic theme but sent to different recipients letters are arranged chronologically with letters grouped according to author or collection an accompanying website offers additional complementary letters topical index highlights various topics and themes represented by the letters
