the time has come to change the context of school leadership the role of the principal is pivotal to systemic school change that is the fundamental message in the moral imperative of school leadership which extends the discussion begun in fullan s earlier publication what s worth fighting for in the principalship the author examines the moral purpose of school leadership and its critical role in changing the context in which the role is embedded in this bold step forward fullan calls for principals to become agents as well as beneficiaries of the processes of school change concepts explored in depth include why changing the context should be the main agenda for the principalship why barriers to the principalship exist why the principal should be seen as the coo chief operating officer of a school why the role of the principal should figure more prominently within the system

this essay sheds light on what is a moral imperative explicates how to follow a moral imperative and reveals the benefits of following a moral imperative a moral imperative is deemed to be a type of categorical imperative that renders a person compelled to act in a moral manner if a person has a moral imperative then the principle of morality will guide his future decisions and actions since he does not want to renege on following the principle of morality if a person has a moral imperative he then will strive to always implement moral decisions if a person has a moral imperative he then will aim to always desist from implementing immoral decisions a moral imperative is an imperative that a person feels compelled to follow that is able to regulate his decisions and actions so that they are adherent to the principle of morality a person should always embrace following a moral imperative there is unprecedented merit in following a moral imperative a person should always desist from implementing immoral decisions following a moral imperative is a cinch a person should be innately compelled to follow a moral imperative since there is unprecedented merit in following a moral imperative a person should always strive to become a righteous virtuous and moral person following a moral imperative is simply a matter of implementing decisions and actions that are aligned with the principle of morality

fullan shows how moral leadership can reinvent the principalship and bring about large scale school improvement this is a masterfully crafted and accessible book by north

america's foremost expert on change thomas j sergio lillian radford professor of education trinity university san antonio tx fullan challenges all who work in education to rethink the critical role of the principal as school leader in the current era of accountability with clarity and insight he offers a series of strategies to reshape the culture and context of leadership in schools to create learning communities where both students and teachers can excel paul d houston executive director american association of school administrators once again the writing of michael fullan is a tour de force the moral imperative of school leadership is a must read for those who want to make a difference gerald n tirozzi executive director national association of secondary school principals the time has come to change the context of school leadership the role of the principal is pivotal to systemic school change that is the fundamental message of the moral imperative of school leadership which extends the discussion begun in fullan's earlier publication what's worth fighting for in the principalship the author examines the moral purpose of school leadership and its critical role in changing the context in which the role is embedded in this bold step forward fullan calls for principals to become agents as well as beneficiaries of the processes of school change in an effort to make the position more rewarding and exciting he shifts the principal's role from one of a site based superman or superwoman and recasts it as one in which principals figure prominently both within their school and within the larger school system that surrounds them concepts explored in depth include why changing the context should be the main agenda for the principalship why barriers to the principalship exist why the principal should be seen as the coo chief operating officer of a school why the role of the principal should figure more prominently within the system what individuals and the system can do to transform school leadership to a powerful new force the challenge and moral imperative for today's principal is to lead system transformations to resolve the top down bottom up dilemma that exists in systemic change to end the exodus from the principalship and for great school leaders to evolve in large numbers the time to redefine the position is now

what compels us to act when silence would be easier what drives a person to risk safety comfort or reputation not for reward but because conscience insists this is the force of the moral imperative the inner compass that demands we do what is right even when it is costly from immanuel kant's timeless philosophy to the struggles of abolitionists civil rights leaders and modern activists the moral imperative explores the ethical obligations that define humanity's greatest acts of courage and compassion across thirty chapters this book traces the moral duty to help the needy protect the

vulnerable resist injustice and safeguard the planet for generations to come drawing on history philosophy psychology and contemporary challenges from climate change to technology this work reveals that moral imperatives are not abstract ideals but urgent lived realities they are the threads that bind individuals to one another communities to justice and humanity to its future this is not just a book about ethics it is a call to action a call to integrity consistency sacrifice and courage a call to choose responsibility over apathy truth over silence and justice over indifference the future will be shaped by those who heed the moral imperative will you author bio wayne joseph gombar is a writer researcher and historian with a deep passion for exploring the intersections of ethics justice and human responsibility drawing on academic study professional expertise and decades of engagement with history and philosophy he brings clarity and urgency to timeless moral questions his works span topics from military history to social justice always centered on the human condition and the choices that shape our shared future residing in greer south carolina gombar continues to write and publish extensively committed to the belief that ideas only matter when they move people to action the moral imperative reflects his enduring conviction that conscience courage and responsibility are not optional virtues but the foundation of a just and compassionate world

seminar paper from the year 2020 in the subject philosophy practical ethics aesthetics culture nature right grade 2 0 university of vienna language english abstract this paper discusses whether respectively how it is possible to ethically justify an individual moral obligation to act against climate change on the basis of kant s categorical imperative actions against climate change might include using public transport instead of cars avoiding travelling by aircraft protesting for climate justice supporting environmental organizations boycotting oil companies stopping wasteful consumption refusing having a baby using sustainable energy forms instead of fossil fuels passing stricter laws or investing in the development of alternative energy forms

a new approach to an issue of tremendous moral political and legal importance and explains why the international community should have intervened in rwanda

award winning author and educational reform expert michael fullan shows how to achieve successful local and systemic school reform through the strength of shared leadership

since plato s time philosophers have concentrated on developing moral theories to guide our actions they have said we ought to act to maximize happiness we ought to

act to fulfill human potential etc but all of them have largely ignored a key question regardless of which acts are morally obligatory can moral obligation as such be proven early in his book allen clarifies what sort of demonstration or justification can suffice as a proof that we are subject to moral obligation he analyzes some twentieth century ethical theories which initially appear to serve as such a demonstration next he examines at length the theory of contemporary english philosopher r m hare and finally he reworks hare s ideas into a complete proof that we are bound by moral obligation philosophers should value this book because it brings to light and defines a neglected but critical problem and develops an innovative thought provoking solution serious students too will find it helpful because it provides a clearly written historical study of a central theme in twentieth century ethics
