an inspired gathering of religious writings that reveals the divine reality common to all faiths collected by aldous huxley the perennial philosophy aldous huxley writes may be found among the traditional lore of peoples in every region of the world and in its fully developed forms it has a place in every one of the higher religions with great wit and stunning intellect drawing on a diverse array of faiths including zen buddhism hinduism taoism christian mysticism and islam huxley examines the spiritual beliefs of various religious traditions and explains how they are united by a common human yearning to experience the divine the perennial philosophy includes selections from meister eckhart rumi and lao tzu as well as the bhagavad gita tibetan book of the dead diamond sutra and upanishads among many others amazon com

this is the first comprehensive study of the intellectual and spiritual message of world renowned philosopher frithjof schuon 1907 1998 the foremost spokesman of the perennialist or traditionalist school of comparative religious thought intended primarily as an introductory guide to schuon s writings harry oldmeadow s book focuses on schuon s exposition of metaphysics and the transcendent unity of religions his presentation of the religious traditions of east and west including the spiritual heritage of the american indians his criticism of the modern world and his views on sacred art and beauty also included is an overview of schuon s paintings and poetry as well as his insights on prayer and virtue in the spiritual life

this ground breaking work provides the general reader with a coherent and systematic account of the perennial philosophy and covers all aspects of schuon s work publisher s website

this is an anthology of 25 essays by the leading exponents of the perennialist school of comparative religious thought it aims to be the most accessible introduction yet to the perspective of the perennial philosophy

the perennial philosophy by aldous huxley includes god truth religion good and evil prayer suffering faith mortification charity and much more

this book explains why no one engaged in religious and cultural studies can afford to disregard the urgent message of the traditionalists who have reminded a forgetful world in a manner which can be ignored but not refuted of those principles which everywhere and always remain true it also demonstrates why any reassessment of contemporary values now increasingly called into question must take into account the profound traditionalist critique of the modern western worldview book jacket

intelligent and perceptive this examination of the universal truths inherent in all cultures and religions is a powerful scholarly analysis of western esotericism s deepest teachings john holman contends that the perennial philosophy is not only at the heart of all world religions but also of all major schools of thought and writings by the great thinkers and philosophers no matter how diverse the presentation of their perceived truths in an accessible way holman sheds light on a number of esoteric topics including the absolute and the one the great chain of being the philosopher s stone the seven spirits the evolution of consciousness and the eternal now paying particular attention to the subject of time this thought provoking book helps us to develop a better understanding of the nature of reality and our potential for transcendence and revolutionizes the debate on the perennial philosophy

this revised collection of brief and inspiring passages on the spiritual life was selected from schuon s unpublished letters and papers as well as from his books they discuss our relationship with god the importance of prayer the meaning of virtue the significance of beauty in our lives as well as other spiritual themes this edition has been re translated and expanded to include 19 additional pages of moving excerpts

against the backdrop of the pervasive scientism of our time this book is a daring attempt to offer an intellectual critique of the foundations of modern science by rigorously examining the limitations of rational thought and empirical investigation unique of its kind it situates science in the context of the perennial wisdom of the world s religions which for millennia have provided keys to true knowledge

this revised collection of brief and inspiring passages on the spiritual life was selected from schuon s unpublished letters and papers as well as from his books they discuss our relationship with god the importance of prayer the meaning of virtue the significance of beauty in our lives as well as other spiritual themes this edition has been re translated and expanded to include 19 additional pages of moving excerpts

offering the most comprehensive biography of frithjof schuon 1907 1998 yet published fitzgerald s work features quotations from schuon s articles books memoirs and correspondence combined with a wealth of reliable information from people who knew schuon well with over 75 color and black and white photos and illustrations readers will gain valuable insights into the life and work of the foremost representative of the perennialist or traditionalist school of comparative religious thought

the spiritual teachings of many faith traditions can help you step beyond the limits of any one tradition to the reality that can't be named the fastest growing spiritual movement in the united states today is that of the religiously unaffiliated these spiritual seekers make up 20 percent of the adult american population they are the spiritual equivalent of political independents refusing to limit themselves to one religion or another these seekers without borders are open to wisdom wherever it can be found this is a bible for this vast and growing social movement it weaves sacred texts and teachings from the world's major religions christianity judaism islam hinduism buddhism and more into a coherent exploration of the five core questions at the heart of every religion's search who am i where did i come from where am i going how shall i live why it couples these sacred teachings with modern commentary designed to help readers use these texts in their daily lives it also provides the basics of spiritual mentor eknath easwaran's passage meditation to help you internalize the texts that articulate your deepest insights and values

contains essays on mysticism prayer sacred art the relationship between christianity and other religious

this collection of letters by frithjof schuon the foremost spokesman of the perennial philosophy contains nearly 200 newly translated letters from schuon's youth to old age as written to friends spiritual seekers scholars and others among the letters are those that address in a simpler and more accessible manner the same metaphysical subjects that continually recur in schuon's published works other letters relate to the spiritual life in its simple and concrete aspects by answering such fundamental questions as why is there evil in the world how can i recognize if i am on a wrong path and what should i do to be saved finally there are letters that relate to various aspects of schuon's life most of which were written to his closest friends while not a comprehensive autobiography these letters offer an intimate view of certain key moments in his life taken as a whole the present collection of letters offers insights into the content of frithjof schuon's message his exposition of the perennial philosophy as well as a glimpse into his life as messenger of that philosophy

how did god create the world around us so that we can understand him god created the universe so that the human mind could naturally come to a knowledge of him by observing our surroundings but how exactly does this happen how can we be sure that there is a spiritual reality underlying everything or that one even exists at all following upon the first volume logic which teaches the student how to think well philosophy of nature seeks to help man understand how to view the material universe that surrounds him and to see the order that god has instilled in it the basic concepts of matter form and motion are addressed so that the modern attacks upon each one's existence can be repelled nearly every philosophical error of modernity stems from a misunderstanding of the material world this bad philosophy of nature has led to catastrophic conclusions that deny the spiritual world and prevent a right view of things according to the mind of the saints the church and god himself understand the church's explanation of how the material world around us exists according to the philosophy of saint thomas and deepen your understanding of the first book that god wrote the material universe so that we can see his mark in every aspect of creation

like their predecessors throughout the late nineteenth and twentieth centuries popes john paul ii and benedict xvi have emphasized the importance of philosophy in the catholic intellectual tradition in his encyclical *fides et ratio* 1998 john paul ii called on philosophers to have the courage to recover in the flow of an enduringly valid philosophical tradition the range of authentic wisdom and truth where the late pope spoke of an enduringly valid tradition jacques maritain and other thomists often have referred to the perennial tradition or to perennial philosophy words of wisdom responds to john paul's call for the development of this tradition with a much needed dictionary of terms as a resource for students in colleges universities and seminaries as well as for teachers of the perennial tradition and interested general readers words of wisdom occupies a unique place it offers precise yet clear and understandable accounts of well over a thousand key philosophical terms richly cross referenced it also explains significant terms from other philosophical movements with which thomism and the catholic intellectual tradition more generally has engaged either through debate or through judicious and creative incorporation moreover it identifies a number of

theological and doctrinal expressions to which perennial philosophy has contributed finally it provides a comprehensive bibliography of works by aquinas in english expositions and discussions of perennial themes and representative examples from the writings of all philosophers and theologians mentioned in dictionary entries

examines the first principles of the perennial philosophy or ancient wisdom tradition as expressed in the writings of its great exponents rene guenon and ananda k coomaraswamy and offers a critique of the west from the standpoint of traditional principles the only tradition examines the first principles of the perennial philosophy or ancient wisdom tradition as expressed in the writings of rene guenon and ananda k coomaraswamy and the current breakdown of value meaning and culture in the west due to the decline of these principles since the thirteenth century the book further focuses on the relationship or reciprocity between the first principles and western and eastern culture and discusses the future development of a homogenous worldwide system of belief that would restore value and meaning to people s lives quinn argues for a return to the first principles inherent in the perennial philosophy which constitute the sacred primordial tradition and which inform all the world s greatest religious traditions his book makes an excellent introduction to this powerful current of european esoteric thought traditionalism i cannot recall reading as clear a statement of the perennial philosophy nor one as solidly based on empirical research as i have read in this book the topic of primordial tradition or perennial philosophy is important in the area of the history of religions and there are precious few books that deal with it in a sympathetic and yet critical way coomaraswamy is mentioned often and honorably in religious studies literature without telling us much about why guenon usually is idolized or vilified if he is acknowledged at all book such as quinn s that treat these influential figures honestly and fairly but with an open and critical eye fill a real need james burnell robinson university of northern iowa

how did god create the world around us so that we can understand him god created the universe so that the human mind could naturally come to a knowledge of him by observing our surroundings but how exactly does this happen how can we be sure that there is a spiritual reality underlying everything or that one even exists at all following upon the first volume logic which teaches the student how to think well philosophy of nature seeks to help man understand how to view the material universe that surrounds him and to see the order that god has instilled in it the basic concepts of matter form and motion are addressed so that the modern attacks upon each one s existence can be repelled nearly every philosophical error of modernity stems from a misunderstanding of the material world this bad philosophy of nature has led to catastrophic conclusions that deny the spiritual world and prevent a right view of things according to the mind of the saints the church and god himself understand the church s explanation of how the material world around us exists according to the philosophy of saint thomas and deepen your understanding of the first book that god wrote the material universe so that we can see his mark in every aspect of creation
