the prudence of love how possessing the virtue of love benefits the lover focuses upon the intersection of philosophical theological and psychological issues concerning love eric silverman advocates an account of the virtue of love derived from thomas aquinas's account of charity and makes three claims concerning love's effect on a person's happiness first he argues that there are at least five distinct ways that possessing the virtue of love contributes to the lover's happiness surprisingly only one of these benefits is primarily relational while the other benefits are largely psychological second silverman argues that the combination of love's benefits typically increases the lover's overall level of happiness finally he argues that possessing a loving disposition is a more reliable strategy for increasing one's overall happiness than possessing an unloving disposition throughout the prudence of love silverman demonstrates that love's benefits are identifiable according to all four major views of happiness

w h auden's poetry the quest for love is a study of the major twentieth century british american poet w h auden's mutating quest for love in the shifting and interactive freudian marxist and christian kierkegaardian contexts it focuses on the poems of the most fertile period 1927-47 of auden's poetic career certain identifiable images are symbolic of the quest for love in each phase offering an analysis of man in freudian and marxist terms the ameliorative quest for love fulfills itself in the vision of divine love in the final christian kierkegaardian phase this ideal and comprehensive book will attract the lovers of auden and will benefit the scholars students teachers and researchers of the 20th century poetry

the editor s bring together major scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality the emphasis is on theoretical integration and stimulation methodological r

what is love what is its future in your life ancient and modern thinkers have attempted to answer this question in this book dr carl sweat jr provides great assistance to people seeking the meaning of love and he offers excellent help to people seeking to enhance their ability to love dr sweat thoroughly outlines the various elements of love and the role of love in relationships most significantly the book reveals love as a part of the life and purpose of everyone therefore this is a book that should be read by every person because everyone can improve his or her ability to love everyone can strengthen current relationships and everyone can develop new relationships dr sweat approaches his subject by considering the reality of human s ability to love the purpose of love in all relationships and the unity of humanity the highly exciting and informative book conveys that no person should sweat about his or her ability to love dr sweat offers tools that assist each reader s ability to believe decide and act in love

although the doctrine of the holy spirit has often been a neglected subject in theology it remains vital for understanding both the christian confession of god as trinity and the nature of the christian life in view of those two topics god s love through the spirit examines the relationship between love and the person and work of the holy spirit in thomas aquinas and john wesley two very different figures whose teachings on the spirit and the christian life are found to be on the whole surprisingly compatible an investigation into aquinas s amor based pneumatology including a groundbreaking analysis of his recently discovered pentecost sermon and a fresh assessment of the doctrine of sanctification in wesley show that in distinctive yet largely complementary ways aquinas and wesley provide resources that can be used to reclaim a richer pneumatology specifically in relation to the theological virtue of love

this first volume of husserlian legacies themes for the 21st century focuses on hitherto underexamined dimensions of husserl s philosophical thinking and in particular values and love texts in this series draw from the variety of husserl s rich original works they are selected and arranged with the support of the husserl archives leuven the texts are made available in english and are primarily targeted to advanced undergraduates graduate students and scholars this volume helps the reader both to investigate the themes of value and love and to gauge their role in husserl s reflections on related topics his analysis of philosophy the sciences as vocational tasks the emotions and the community of love as well as his personalistic reformulation of the categorical imperative the texts gathered edited and translated in this volume have far reaching implications ranging from axiology and individual and social ethics to the philosophy of emotions action theory and the philosophy of science

under what circumstances can love generate moral reasons for action are there morally appropriate ways to love can an occurrence of love or a failure to love constitute a moral failure is it better to love morally good people this volume explores the moral dimensions of love through the lenses of political philosophy psychology and neuroscience it attempts to discern how various social norms affect our experience and understanding of love how love relates to other affective states such as emotions and desires and how love influences and is influenced by reason what love is affects what love ought to be conversely our ideas of what love ought to be partly determined by our conception of what love is

one of the greatest and best loved spokesmen for the faith here sets out the church s beautiful understanding of marriage in his trademark clear and entertaining style frankly and charitably sheen presents the causes of and solutions to common marital crises and tells touching real life stories of people whose lives were transformed through marriage he emphasizes that our blessed lord is at the center of every successful and loving marriage this is a perfect gift for engaged couples or for married people as a fruitful occasion for self examination

braving the mysteries of how and why two people fall in love maureen howard weaves history art science astronomy and the compelling needs of family into the intensely romantic a lover's almanac a novel of radiant intelligence and delicious wit the exhilarating flights and emotional depth of howard's storytelling balance the fate of young lovers in new york artie a bastard perhaps begot in the mud of woodstock now a boyish computer wizard and louise a hot new painter out of the midwest seriously committed to her art their romance seemingly shattered on the eve of the millennium is played against the tale of two old lovers lost to each other for half a century these intertwined lives gather history and time itself into a haunting narrative in which truth surfaces to wound and heal seamless entries on the exploits of formative geniuses from ben franklin to robert oppenheimer bring the desire for progress into perspective with the limited dreams of private life brimming with the exuberance of salman rushdie and the moral purpose of don delillo a lover's almanac renders our confrontation with the past and the need to move on to the rest of our days transforming the dear old farmer's almanac into a bright book of life
