andrew louth introduces us to twenty key orthodox thinkers from the last two centuries the poets and thinkers included range from romania serbia greece england and france and also include exiles from communist russia the book concludes with an illuminating chapter on metropolitan kallistos and the theological vision of the philokalia

despite the history that divides them hinduism and orthodox christianity have much in common in the human icon christine mangala frost explores how both religions seek to realise the divine potential of every human being and the differences in their approach frost who has experienced both the extraordinary riches and the all too human failings of hinduism and orthodox

christianity from the inside is perfectly placed to examine the convergences and divergences between the two faiths inspired by a desire to clear up the misunderstandings that exist between the two the human icon is a study in how two faiths superficially dissimilar can nevertheless find meeting points everywhere the powerful intellectual and spiritual patristic traditions of orthodox christianity offer a rare tool for revitalising too often stalled dialogue with hinduism and present the chance for a broader and more diverse understanding of the oldest religion in the world tracing the long history of orthodox christianity in india from the thomas christians of ancient times to the distinctive theology of paulos mar gregorios and the kottayam school frost explores the impact of hindu thought on indian christianity and considers the potential for confluence with a breadth of interest that spans hindu bhakti orthodox devotional theology vedanta and theosis as well as meditational yoga and hesychastic prayer frost offers a fresh perspective on how the devotees of both faiths approach the ideal of divinisation and presents a thoughtful modern methodology for a dialogue of life

georges florovsky 1893 1979 was one of the most prominent orthodox theologians and ecumenists of the twentieth century his call for a return to patristic writings as a source of modern theological reflection had a powerful impact not only on orthodox theology in the second half of the twentieth century but on christian theology in general florovsky was also a major orthodox voice in the ecumenical movement for four decades and he is one of the founders of the world council of churches this book is a collection of major theological writings by george florovsky it includes representative and widely influential but now largely inaccessible texts many newly translated for this book divided into four thematic sections creation incarnation and redemption the nature of theology ecclesiology and ecumenism and scripture worship and eschatology a foreword by metropolitan kallistos were presents the theological vision of georges florovsky and discusses the continuing relevance of his work both for orthodox theology and for modern theology in general the introduction by the editors provides a theological and historical overview of florovsky theology in teh context of his biography the book includes explanatory notes translation of patrisitc citations and an index

most of the papers included in this volume were first presented at a conference convened by the friends of mount athos at madingley hall cambridge in 2003 mount athos is the principal surviving centre of orthodox monasticism and the spiritual heart

of the orthodox world the aims of the conference were to draw attention to the historic importance the spirituality and the religious legacy of the holy mountain and to shed light on the contribution made by athonite monasticism not only to worldwide orthodoxy but also to christianity at large many of the papers focus on particular individuals who from the fourteenth century to the twentieth have exemplified the spiritual traditions of athos and whose memory as spiritual fathers confessors and ascetics continues to inspire their successors today

this third concluding volume of the series publishes 14 studies and the transcription of a round table discussion on carlo ginzburg s ecstasies the themes of the previous two volumes communicating with the spirits and christian demonology and popular mythology are further expanded here both as regards their interdisciplinary approach and the wide range of regional comparisons while the emphasis of the second volume was on current popular belief and folklore as seen in the context of the historical sources on demonology this volume approaches its subject from the point of view of historical anthropology the greatest recent advances of witchcraft research occurred recently in two fields 1 deciphering the variety of myths and the complexity of historical processes which lead to the formation of the witches sabbath 2 the micro historical analysis of the social religious legal and cultural milieu where witchcraft accusations and persecutions developed these two themes are completed by some further insights into the folklore of the concerned regions which still carries the traces of the traumatic historical memories of witchcraft persecutions

images of the land and the people of cyprus and details of its tragic history enrich the mountain of silence like the writings of the great mystics the book evokes the confluence of an inner and outer journey the depth and richness of its spiritual message echo the thoughts and writings of saint francis of assisi and other great saints of the western church as well book jacket

the treasury is a collection of the spiritual terms found in the literature of the world s religious and mystical traditions its primary objective is to elucidate the meaning of the essential terms used by the various spiritual and religious traditions of the world throughout history it is not primarily intended as a dictionary or as an encyclopedia nor is it a definitive treatise on any particular subject or religion it is meant to help the ordinary person understand some of the basic principles of his or her

religious background within the framework of a universal understanding of spirituality all terms are explained in a simple manner with each term presented as a separate entry with the explanations grouped according to subject and placed alongside one another many similarities between the various religions immediately become apparent among these many pages the reader will find a mixture of interesting concepts quotations thoughts perceptions and ideas there should be something for everyone whoever they are and whatever their bent of mind the treasury is prepared and edited by an international team of researchers contributors editors and readers with a wide variety of religious and cultural backgrounds all those involved gave their time and expertise freely to the project since the society does not seek any profit and the cost of printing in india is low the treasury can be sold at a very low price this helps the society stay true to its premise that spirituality is the birthright of all that no profit should be extracted from its dissemination and most important that knowledge of these truths should not be withheld from anyone for economic reasons provided by publisher

assessing the status of evangelical theology at the turn of the century a team of 26 scholars including alister e mcgrath clark pinnock wolhart pannenberg and stanley grenz honor millard j erickson with this volume edited by david s dockery
