self help

a collection of simple meditations and exercises helps readers heighten their consciousness of the present and live in the moment more completely

it is no wonder that the power of now has sold over 2 million copies worldwide and has been translated into over 30 foreign languages much more than simple principles and platitudes the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality the discovery of truth and light in the

first chapter tolle introduces readers to enlightenment and its natural enemy the mind he awakens readers to their role as a creator of pain and shows them how to have a pain free identity by living fully in the present the journey is thrilling and along the way the author shows how to connect to the indestructible essence of our being the eternal ever present one life beyond the myriad forms of life that are subject to birth and death featuring a new preface by the author this paperback shows that only after regaining awareness of being liberated from mind and intensely in the now is there enlightenment

the power of now has proved to be one of the greatest spiritual books written in recent times it contains a power that goes beyond words and it can lead us to a much quieter place beyond our thoughts a place where our thought created problems dissolve and we discover what it means to create a liberated life throughout there are specific practices and clear keys that show us how to discover for ourselves the grace ease and lightness that come when we simply quieten out thoughts and see the world before us in the present moment practicing the power of now is a carefully arranged series of excerpts from the power of now that directly give us those exercises and keys read this book slowly or just open it at random reflect on the words reflect even on the space between the words and maybe over time maybe immediately you ll discover something of life changing significance you ll find the power the ability to change and elevate not only your life but your world as well it s in your hands discover the power of now

to make the journey into the power of now we will need to leave our analytical mind and its false created self the ego behind from the beginning of the first chapter we move rapidly into a significantly higher altitude where one breathes a

lighter air the air of the spiritual although the journey is challenging eckhart tolle offers simple language and a question and answer format to guide us the words themselves are the signposts the book is a guide to spiritual awakening from a man who has emerged as one of this generation s clearest most inspiring teachers eckhart tolle is not aligned with any particular religion but does what all the great masters have done shows that the way the truth and the light already exist within each of us

terms like groundbreaking and life changing are often used to describe books but not always accurately they are when describing the power of now which has become a genuine cultural phenomenon oprah winfrey keeps it at her bedside and calls it one of the most valuable books i ve ever read katy perry says it inspired her song this moment director tom ford asked everyone in his film a single man to read it and on and on more importantly millions who suffer from the kind of debilitating depression tolle once did or who wrestle with anxiety loss or grief as well as those seeking personal growth and a deeper experience of fulfillment and spirituality have found life altering attitude shifting inspiration in the book s simple yet powerful teachings lovely vibrant four color art and carefully chosen excerpts inspire insights and prompt contemplation meditation and relaxation whether you re a longtime fan or new to tolle s work the journal format will help you engage with tolle s teachings to discover or rediscover the extraordinary power of the power of now

eckhart tolle is perhaps the most popular spiritual guru in the world his books have topped the new york times bestseller list and his core teaching achievement of liberation via the power of now has become the guiding light of the new age movement but according to I ron gardner author of beyond the power of now there is a problem a big problem with tolle's core teaching tolle never explains what exactly the power of now is is it the same thing as hindu shakti or the buddhist sambhogakaya or the christian holy spirit tolle doesn't say he continually refers to the bible and jesus in his book but shockingly never once mentions the holy spirit and how it relates to the power of now I ron makes it clear that the true power of now is the holy spirit which is the same divine light energy as hindu shakti and the buddhist sambhogakaya he explains and extolls the true power of now and castigates tolle for failing to identify and describe it to some eckhart tolle is

a new age visionary describing a new earth that can materialize if mankind en masse awakens to the power of now but according to I ron gardner he is simply a histrionic ranter full of empty rhetoric throughout this book I ron continually points out from different angles the folly of tolle s new or now age chimera and describes the social system that represents mankind s sociopolitical salvation beyond tolle s teaching about the power of now and rhetoric about a new earth I ron takes the renowned guru to task on virtually every subject he addresses most significantly he rebuts his arguments that 1 emotions can be trusted more than thought 2 time is a mind created illusion 3 psychological time is insanity 4 the present moment is the now 5 the inner body is the direct link to the now 6 your cells stop aging when you live in the now 7 women are spiritually more evolved than men and 8 animals such as ducks and cats are zen masters eckhart tolle s teachings are replete with erroneous ideas and I ron gardner exposes the major flaws in his principal arguments while providing readers with integral solutions

the teachings of the breakaway bestselling author of the power of now and an eminent modern hindu mystic are insightfully examined for their similarities and contrasts in a very readable and transformative study by an aurobindo scholar and psychologist exclusive interview with eckhart tolle in india included

summary of eckhart tolle s the power of now a guide to spiritual enlightenment most of us are just living our lives by serving as our mind s slaves we do not question our thoughts at all and spend our lives in a state of unconsciousness pain and suffering engulf us and our thoughts bother us our mind does not let us have a moment of peace eckhart tolle teaches

us in the power of now that we can take away the reins from our minds we can surrender to the present and become conscious we can improve our existence by letting go of thought and find peace most importantly by being present we can let the past and future go and focus on the now to connect with being and the purpose of our lives this summary is not like any other book it will teach you a new way of life you might think that you have no other presence than your mind and physical body but you do not know your true self the power of now will help you be present and live in the current moment like never before it will liberate you from the noise of your mind and help you achieve inner peace you will truly learn to live and connect with the divine after reading and understanding this book about the original author eckhart tolle is the author of the new york times bestsellers the power of now translated into 33 languages and a new earth which are widely regarded as two of the most influential spiritual books of our time in 2008 a new earth became the first spiritual book to be selected for oprah s book club as well as the subject of a ten week online workshop co taught by eckhart and oprah disclaimer this book is a summary it is meant to be a companion not a replacement to the original book please note that this summary is not authorized licensed approved or endorsed by the author or publisher of the main book the author of this summary is wholly responsible for the content of this summary and is not associated with the original author or publisher of the main book if you d like to purchase the original book please paste this link in your browser [amazon.com/dp/b002361mla](https://www.amazon.com/dp/b002361mla) tags power of now spiritual enlightenment eckhart tolle
