throughout the history of european imperialism the grand narratives of the bible have been used to justify settler colonialism the zionist bible explores the ways in which modern political zionism and israeli militarism have used the bible notably the book of joshua and its description of the entry of the israelites into the promised land as an agent of oppression and to support settler colonialism in

palestine the rise of messianic zionism in the late 1960s saw the beginnings of a jewish theology of zealotocracy based on the militant land traditions of the bible and justifying the destruction of the previous inhabitants the zionist bible examines how the birth and growth of the state of israel has been shaped by this zionist reading of the bible how it has refashioned israeli jewish collective memory erased and renamed palestinian topography and how critical responses to this reading have challenged both jewish and palestinian nationalism

how is god involved with the bible and how does god s involvement with the generation of holy scripture and its use in the life of the christian church figure into the human work of scripture interpretation this is the central question that this book seeks to address in critical conversation with the influential hermeneutic programs of james barr paul ricoeur and hans frei topping demonstrates how god s agency has been marginalized in the task of scripture interpretation divine involvement with the bible is bracketed out barr rendered in generic terms ricoeur or left implicit frei in these depictions of the hermeneutic field the result is that each of these hermeneutic programs are less than realist interpretative proposals talk of god is eclipsed by the terminal consideration of human realities topping argues for the centrality of doctrinal description in a lively theological understanding of scripture interpretation for the life of the church

in the jewish bible a material history david stern explores the jewish bible as a material object the bibles that jews have actually held in their hands from its beginnings in the ancient near eastern world through to the middle ages to the present moment drawing on the most recent scholarship on the history of the book stern shows how the bible has been not only a medium for transmitting its text the word of god but a physical object with a meaning of its own that meaning has changed as the material shape of the bible has changed from scroll to codex and from manuscript to printed book by tracing the material form of the torah stern demonstrates how the process of these transformations echo the cultural political intellectual religious and geographic changes of the jewish community with tremendous historical range and breadth this book offers a fresh approach to understanding the bible s place and significance in jewish culture

this wide ranging collection of essays provides the reader with a critical introduction to the new testament as the church s canon the authors conviction is that the bible belongs first of all to the community of believers rather than to the guild of biblical scholars but that does not make the tools and tasks of modern biblical criticism unimportant rather they are the constructive means by which the scholar discerns the nature of the ongoing conversation between the church and its biblical canon and helps form the church into a community of worship and witness whether from a particular composition s point of origin or from the various properties added to it during the canonizing process or from its location within the final canonical product the scholars recover multiple clues from the ancient church s dialogue with its scriptures that help delimit the boundaries and establish the aims of the same dialogue between today s faith community and its biblical canon

a master chef offers a gorgeous tribute to soup through more than 350 full color photos and tantalizing recipes
