can i teach that negotiating taboo language and controversial topics in the language arts classroom is a collection of stories strategies advice and documents collected for teachers who are using or plan to use materials or implement policies they know may be controversial it is for any teacher dedicated to engaging their students in the complex challenging and rewarding activities of reading and writing for any teacher committed to speaking honestly with students for any teacher period because when we decide to work with young people when we commit to sharing books and ideas that engage their hearts and minds when we strive to get adolescents to think critically and write honestly we open ourselves up to suspicion and critique from someone somewhere no matter how above reproach we feel our materials and strategies are few language arts teachers will experience a full blown challenge to the content of their curriculum but many may self censor or suffer through awkward and challenging conversations with colleagues administrators parents

and other members of their community this book is for those times when teachers are called on to defend and legitimize their use of controversial material in their classroom material that they know reflects students reality even as it makes adults uncomfortable and fearful about their inability to protect children from that very reality
